Important Notice Regarding the Availability of Proxy Materials for the Shareholder Meeting to Be Held on May 22, 2008

The proxy statement and annual report to security holders are available at www.proxydocs.com/lamr.

Record Date, Voting Rights and Outstanding Shares

The Board of Directors has fixed April 2, 2008 as the record date for determining holders of our capital stock who are entitled to vote at the Annual Meeting.

We have two classes of common stock and one class of preferred stock issued and outstanding: Class A Common Stock, \$.001 par value per share, Class B Common Stock, \$.001 par value per share, and Series AA Preferred Stock, \$.001 par value per share. We refer to our Class A Common Stock and our Class B Common Stock collectively as our common stock.

With respect to the matters submitted for vote at the Annual Meeting, each share of Class A Common Stock is entitled to one vote, each share of Class B Common Stock is entitled to ten votes, and each share of Series AA Preferred Stock is entitled to one vote.

Our Class A Common Stock, Class B Common Stock and Series AA Preferred Stock will vote as a single class on the matters submitted at the Annual Meeting. On April 2, 2008, there were outstanding and entitled to vote 77,003,834 shares of Class A Common Stock, 15,372,865 shares of Class B Common Stock, and 5,719.49 shares of Series AA Preferred Stock.

The presence at the Annual Meeting, in person or by proxy, of the holders of one-third of the votes represented by the Class A Common Stock, the Class B Common Stock, and the Series AA Preferred Stock issued and outstanding on April 2, 2008 will constitute a quorum for the transaction of business. Proxies submitted by brokers that do not indicate a vote for the proposal because the brokers do not have discretionary voting authority and have not received instructions from the beneficial owners on how to vote on the proposal are called "broker non-votes." We will count broker non-votes, votes withheld, and abstentions as being present at the Annual Meeting in determining whether a quorum exists for the transaction of business at the Annual Meeting.

Table of Contents

Stockholders who do not attend the Annual Meeting in person may submit proxy cards by mail. Proxy cards in the enclosed form, if received in time for voting and not revoked, will be voted at the Annual Meeting according to the instructions on the proxy cards. If no instructions are indicated, the shares represented by the proxy will be voted:

- **FOR** the election of the Director nominees named herein;
- **FOR** the ratification of the appointment of KPMG LLP as the Company's independent registered public accounting firm for the 2008 fiscal year; and
- In accordance with the judgment of the proxy holders as to any other matter that may be properly brought before the Annual Meeting or any adjournments of the Annual Meeting.

We will not count shares that abstain from voting on a particular matter or shares represented by broker non-votes as votes cast on that matter. Accordingly, abstentions and broker non-votes will have no effect on the outcome of voting on matters to be voted on at the Annual Meeting that require the affirmative vote of a certain percentage or a plurality of the votes cast on a matter.

Voting of Proxies

You may vote by mail or in person at the Annual Meeting. To vote by mail, please sign, date, and complete the enclosed proxy card and return it in the enclosed self-addressed envelope. If you hold your shares through a bank, broker or other nominee, it will give you separate instructions for voting your shares.

Revocability of Proxies

Any stockholder giving a proxy has the power to revoke it at any time before it is exercised. You may revoke the proxy by filing an instrument of revocation or a duly executed proxy bearing a later date with our Secretary at our principal executive offices, 5551 Corporate Boulevard, Baton Rouge, Louisiana 70808. You may also revoke your proxy by attending the Annual Meeting and voting in person. If you do not revoke your proxy, we will vote the proxy at the Annual Meeting in accordance with the instructions indicated on your proxy card.

Householding of Annual Meeting Materials

Some banks, brokers, and other nominee record holders may be "householding" our proxy statements and annual reports. This means that only one copy of our proxy statement and annual report to stockholders may have been sent to multiple stockholders in your household. We will promptly deliver a separate copy of either document to you upon request. Requests may be made by phone ((225) 926-1000) or in writing to our principal executive offices at 5551 Corporate Boulevard, Baton Rouge, Louisiana 70808, Attention: Secretary. If you want to receive separate copies of the proxy statement or annual report to stockholders in the future, or if you are receiving multiple copies and would like to receive only one copy per household, you should contact your bank, broker or other nominee record holder, or you may contact us at the above address and telephone number.

Kevin P. Reilly, Jr., our Chairman, President, and Chief Executive Officer, Sean Reilly, our Chief Operating Officer, and our directors Anna Reilly and Wendell Reilly are siblings. Kevin P. Reilly, Jr., Anna Reilly and Wendell Reilly are also nominees for director at the Annual Meeting.

BOARD OF DIRECTORS AND COMMITTEES

During the year ended December 31, 2007, our Board of Directors held four meetings. Each of our directors attended at least 75% of the aggregate of the total number of meetings of our Board and the total number of meetings of our Board's committee meetings for the committee(s) on which that director

served. Mr. Koerner was elected to the Board and became a member of the Audit Committee on December 13, 2007. The Board has standing Audit, Compensation and Nominating and Governance Committees. During the year ended December 31, 2007, the Audit Committee held eight meetings, the Compensation Committee held eight meetings, and the Nominating and Governance Committee held three meetings. We encourage, but do not require, our board members to attend the Annual Meeting of Stockholders. Last year, all of our directors attended the Annual Meeting of Stockholders.

Director Independence. The Board has determined that Messrs. Hamilton, Jelenic, Mumblow, Reifenheiser and Koerner are “independent directors” as defined in the Nasdaq Stock Market listing standards. In making this determination, the Board considered that Mr. Hamilton serves as Dean of the Manship School of Mass Communications of Louisiana State University (the “Manship School”) of which the Reilly Center for Media & Public Affairs (the “Reilly Center”) is a part. The Reilly Center was originally formed based on charitable donations of Kevin Reilly, Sr. and Dee Dee Reilly (the parents of Kevin Reilly, Jr., Sean Reilly, Anna Reilly and Wendell Reilly). The Board also considered certain donations by the Reilly Family Foundation, a charitable foundation with which Mr. Kevin Reilly, Sr. is affiliated, to the Manship School. The Board noted the following: that Mr. Hamilton has never and does not currently receive any compensation from the Reilly Family Foundation or the Reilly Center; all decisions regarding donations made by the Reilly Family Foundation are made by an independent board of directors; and neither Kevin Reilly Jr., Sean Reilly, Anna Reilly nor Wendell Reilly contribute to or are affiliated with the Reilly Family Foundation, in making its determination that these relationships do not affect Mr. Hamilton’s independence.

Meetings in Executive Session. Our independent directors have regularly scheduled meetings at which only independent directors are present. During 2007, the independent directors met in executive session on two occasions.

Audit Committee. The Audit Committee currently consists of Stephen P. Mumblow (Chairman), Robert M. Jelenic, Thomas V. Reifenheiser and John E. Koerner, III. Our Board of Directors has determined that each member of the Audit Committee satisfies the independence and financial literacy requirements as defined by applicable Nasdaq Stock Market listing standards governing the qualifications of Audit Committee members. Stephen P. Mumblow and Robert M. Jelenic each qualify as an “audit committee financial expert” under the rules of the SEC and satisfy the financial sophistication requirements under applicable Nasdaq Stock Market listing qualifications. The Audit Committee assists our Board of Directors in fulfilling its responsibility for general oversight over the integrity of our financial statements, including compliance with legal and regulatory requirements, the independent registered public accounting firm’s qualifications and independence, and the performance of our internal audit function. The Audit Committee is also responsible for the appointment (and when appropriate, replacement) and oversight of our independent registered public accounting firm and our internal auditor. The Audit Committee operates under a written charter adopted by the Board of Directors.

Compensation Committee. The Compensation Committee currently consists of Thomas V. Reifenheiser (Chairman), John Maxwell Hamilton, and Stephen P. Mumblow, each of whom meets the independence requirements as defined by applicable Nasdaq Stock Market listing standards governing the independence of directors. The Committee’s responsibilities include evaluating the performance of the Chief Executive Officer and our other executive officers and reviewing and determining such officers’ cash and equity-based compensation and benefits. The Compensation Committee operates under a written charter adopted by the Board of Directors.

Nominating and Governance Committee. The Nominating and Governance Committee currently consists of Thomas V. Reifenheiser (Chairman) and Stephen P. Mumblow, each of whom meets the independence requirements as defined by applicable Nasdaq Stock Market listing standards governing the

[Table of Contents](#)

independence of directors. The Committee's responsibilities include identifying individuals qualified to become Board members and recommending to the Board the director nominees for the next Annual Meeting of Stockholders, as well as candidates to fill vacancies on the Board. Additionally, the Committee recommends to the Board the directors to be appointed to Board committees. The Committee also developed and recommended to the Board a set of corporate governance guidelines and oversees the effectiveness of our corporate governance in accordance with those guidelines. The Nominating and Governance Committee operates under a written charter adopted by the Board of Directors.

The process followed by the Nominating and Governance Committee to identify and evaluate director candidates includes requesting Board members and others to submit recommendations, meeting from time to time to evaluate biographical information and background materials relating to potential candidates, and interviewing (with Board members) selected candidates.

In considering whether to recommend any candidate for inclusion in the Board's slate of director nominees, the Nominating and Governance Committee will evaluate the candidate against the standards and qualifications set out in the Company's Corporate Governance Guidelines, including, among others:

- the extent to which the candidate's skills, experience, and perspective adds to the range of talent appropriate for the Board and whether such attributes are relevant to our industry;
- the candidate's ability to dedicate the time and resources sufficient for the diligent performance of Board duties;
- whether the candidate meets the independence requirements under applicable Nasdaq Stock Market listing standards; and
- the extent to which the candidate holds any position that would conflict with responsibilities to the Company.

The Committee believes that the backgrounds and qualifications of the directors, considered as a group, should provide a significant composite mix of experience, knowledge, and abilities that will allow the Board to fulfill its responsibilities.

Stockholders may recommend candidates for the Nominating and Governance Committee to consider as potential director nominees by submitting names, biographical information, and background materials to the Nominating and Governance Committee, c/o General Counsel, Lamar Advertising Company, 5551 Corporate Boulevard, Baton Rouge, Louisiana 70808. The Nominating and Governance Committee will consider a recommendation only if appropriate biographical information and background material is provided on a timely basis as further described in the Committee's charter. See "Board and Committee Meetings-Committee Charters." Assuming that appropriate biographical and background material is provided for candidates recommended by stockholders, the Nominating and Governance Committee will evaluate those candidates by following substantially the same process, and applying substantially the same criteria used for candidates submitted by Board members. The Committee will also consider whether to nominate any person nominated by a stockholder in accordance with the provisions of the Company's bylaws relating to stockholder nominations as described in "Deadline for Stockholder Proposals and Director Nominations" below. To date, no stockholder has recommended a candidate for director nominee to the Nominating and Governance Committee or to the Board of Directors.

Committee Charters. You may view copies of the charters of the Audit Committee, the Compensation Committee, and the Nominating and Governance Committee, as currently in effect, on the corporate governance section of our website, www.lamar.com.

Compensation Committee Interlocks and Insider Participation

The Compensation Committee currently consists of Thomas V. Reifenheiser (Chairman), John Maxwell Hamilton, and Stephen P. Mumblow. None of our executive officers serves as a member of the

board of directors or compensation committee of any other company that has one or more executive officers serving as a member of our Board of Directors or Compensation Committee.

Executive Officer and Director Compensation

Compensation Discussion and Analysis

Our Compensation Committee has responsibility for establishing, implementing and maintaining the compensation program for our Chief Executive Officer, Chief Financial Officer and Chief Operating Officer, which we refer to herein as our executive officers or the “named executive officers.” This Compensation Discussion and Analysis sets forth the objectives and material elements of the compensation paid to our named executive officers for fiscal 2007.

Executive Compensation Philosophy

The primary objective of our executive compensation program is to attract, retain and reward executive officers who contribute to our long-term success. We believe this requires a competitive compensation structure as compared to similarly situated companies both in the media industry and other companies that are our peers in terms of annual revenues. Additionally, we seek to align a significant portion of executive officer compensation to the achievement of specified Company performance goals. Incentive cash bonuses are included to drive executive performance by having pay at risk so that total cash compensation is tied to goal achievement. We also include performance-based equity grants as a significant component of potential executive compensation so that the value of a portion of executive compensation is tied directly to the performance of our Class A Common Stock.

Use of Compensation Consultants and Peer Group Data

Our Compensation Committee did not consult with any compensation consultants in conjunction with its executive officer compensation determinations for fiscal 2007. The Committee had previously retained Hewitt Associates LLC, a nationally recognized compensation consulting firm, to review our compensation levels relative to external market practices and to develop suggestions for a performance-based annual incentive program that would tie compensation to enumerated performance goals. Following this analysis, the Committee developed the framework for executive compensation initially used in fiscal 2006; the Committee continued to use this framework when making its executive compensation determinations for fiscal 2007.

Material Elements of Executive Officer Compensation

The key elements of compensation for our executive officers are: base salaries, performance-based cash incentive awards and performance-based equity awards. Executives may also participate, on the same terms as all other employees, in a 401(k) retirement savings plan and health and welfare benefits.

Base Salary. We pay a base salary to each of our named executive officers. The objective of base salary is to provide a fixed component of cash compensation to the executive that is competitive with the base compensation the executive could earn in similar positions at comparable companies. Base salary for our named executive officers is reviewed annually in light of market compensation, tenure, individual performance and other subjective considerations. Typically the Chief Executive Officer makes recommendations to the Compensation Committee with regard to base salary for the executive officers that he believes are justified in light of these considerations. The Committee did not obtain an update to

Table of Contents

the peer group information used as part of its 2006 compensation process as it does not seek to set executive officer compensation to a specific percentile of the range of total compensation represented by this group.

The Compensation Committee reviewed the current base salaries in the context of the Company's performance and each executive's individual performance as assessed by the Committee after discussion (except with respect to his own individual performance) with the Chief Executive Officer. The Committee also looked at 2007 base salaries in the context of the increases made in 2006, which were in large part an effort to align executive officers compensation with those of comparable companies. As a result, the Committee determined that no increases be made to the base salaries set in fiscal 2006.

Performance-Based Incentive Compensation. The incentive compensation program instituted by the Committee in February 2006 was continued for fiscal 2007. The incentive program consists of two types of awards that are granted under the Company's 1996 Equity Incentive Plan (the "Incentive Plan"): (i) a performance-based incentive cash bonus and (ii) a performance-based incentive equity award. This compensation program was designed by the Committee to link a significant portion of overall executive officer compensation to the achievement of enumerated performance targets while maximizing the Company's ability to deduct named executive officer compensation for tax purposes under Section 162(m) of the Internal Revenue Code. By including a fixed share equity award as a significant portion of executive compensation, the aggregate value of each executive officer's compensation is dependant on the performance of the Company's Class A Common Stock.

- *Incentive Cash Bonus.* The Committee sets target amounts for incentive cash bonuses for each of the named executive officers with corresponding performance goals; these target cash bonus amounts for 2007 were unchanged from 2006. In line with the framework set up in 2006, each executive had the opportunity to earn up to 200% of the target cash bonus amount based upon achievement of performance goals that exceeded expectations for Company performance in the coming year.

When setting the performance goals for the executive officer's incentive cash bonuses for fiscal 2007 the Committee met with management to review current budgets and financial projections along with any current initiatives that could impact the Company's anticipated results for the coming fiscal year. The Committee believes that the Company's pro forma net revenue growth and pro forma EBITDA growth are the appropriate measures on which to base incentive compensation as these measures are the primary measures used by both management and the investor community to evaluate the Company's performance.

The Committee's goal when determining the specific performance thresholds is to set target (100%) goal achievement at a challenging but achievable level in order to provide appropriate incentives for management in the context of the current fiscal year's projected results and current business plan. For 2007 the Committee also refined the increments that had been used in the 2006 performance grid. The 2007 performance goals for incentive cash bonuses were based on achievement of pro forma revenue growth and pro forma EBITDA growth for fiscal 2007 over fiscal 2006 with 50% of the bonus amount tied to each metric. A table setting forth the actual performance thresholds for fiscal 2007 is set forth below on page 15.

In February 2008, the Committee reviewed the Company's performance and certified that (i) the Company's pro forma net revenue growth resulted in attainment of 100% of the executive officers' target bonus and (ii) the Company's pro forma EBITDA growth resulted in attainment of 150% of the executive officers' target bonus. These awarded amounts are reflected below and in the Non-Equity Incentive Plan Compensation column of the 2007 Summary Compensation Table on page 18 of this proxy statement.

Sean E. Reilly <i>Chief Operating Officer and Vice President</i>	125,000	187,500	312,500

• *Incentive Equity Awards.* The Committee also determined the target amount of incentive equity awards for each of the named executive officers at its February 2007 meeting. These target equity award amounts were set at 44,000 shares for both Kevin Reilly, Jr. and Sean Reilly and at 26,000 shares for Keith Istre, which amounts are unchanged from fiscal 2006. The same pro forma revenue growth and pro forma EBITDA growth metrics for fiscal 2007 over fiscal 2006 used in the context of the incentive cash awards are used to determine the achievement of incentive equity awards, except that there is no opportunity to achieve greater than 100% of the target equity awards.

Under the terms of the Company's incentive equity award program, no shares of stock are issued unless and until the relevant performance goals have been met and certified by the Compensation Committee. Earned shares were issued as soon as practicable following such certification and were fully vested at the time of issuance.

In February 2007, the Committee reviewed the Company's performance and certified that both the Company's pro forma net revenue growth and pro forma EBITDA growth resulted in attainment of 100% of the executive officers' target equity award. These awards are reflected below and in the Stock Awards column of the 2007 Summary Compensation Table on page 18 of this proxy statement.

The following tables set forth the level of pro forma net revenue and pro forma EBITDA growth required for fiscal 2007 over fiscal 2006 to achieve the stated percentage of target incentive awards for our named executive officers as set by the Committee in March 2007. These goals relate to achievement of both incentive cash and incentive equity awards, except that equity awards cannot exceed their target amount irrespective of goal achievement in excess of the 100% level.

POTENTIAL INCENTIVE AWARDS

* Equity awards cannot exceed the 100% target amount irrespective of performance in excess of 100% goals.

(1) Pro forma net revenue growth is based on the Company's net revenue growth in 2007 over 2006 based on actual 2007 net revenue versus 2006 net revenue as adjusted to reflect acquisitions and divestitures for the same time frame as actually owned in 2007.

* Equity awards cannot exceed the 100% target amount irrespective of performance in excess of 100% goals.

(1) Pro forma EBITDA growth is calculated in the same manner as pro forma net revenue growth with adjustments being made in the 2006 period to reflect acquisitions and divestitures for the same time frame as actually owned in 2007 and is also adjusted to eliminate the expense in the period related to executive bonuses.

Other Compensation Components

Perquisites. We provide certain perquisites to our executive officers, including use of the Company's aircraft and a Company car. Our executive officers are entitled to use our Company aircraft, as well as an additional aircraft leased by the Company for business purposes, and family members are allowed to accompany executive officers on the aircraft at the executive's discretion. Our executive officers also have access to Company aircraft for personal travel. These perquisites provide flexibility to the executives and increase travel efficiencies, allowing more productive use of executive time. More detail on these perquisites and other perquisites provided to our executive officers may be found below in the 2007 Summary Compensation Table.

Deferred Compensation. The Company has a deferred compensation plan for certain officers. Under this plan, officers who meet certain years of service and other criteria are eligible to receive Company contributions into their accounts in the Lamar Deferred Compensation Plan. Officers do not have the option of deferring any portion of their earned cash compensation through additional voluntary contributions to the plan.

The deferred compensation plan is not funded by us, and participants have an unsecured contractual commitment from us to pay the amounts due under the deferred compensation plan. When payments under the plan are due, the funds are distributed from our general assets. The Company does not offer preferential earnings on deferred compensation. Deferred compensation is intended as a long-term savings vehicle for our officers in light of the fact that the Company does not offer any traditional pension or defined benefit plan. The Compensation Committee does not consider deferred compensation accounts when setting executive pay levels, since this represents compensation that has previously been earned and individual accounts are a function of personal investment choices and market-based earnings.

Tax Implications

United States tax laws generally do not allow publicly-held companies to obtain tax deductions for compensation of more than one million dollars paid in any year to any of the chief executive officer and the next four highest paid executive officers (each, a "covered employee") unless the compensation is "performance-based" as defined in Internal Revenue Code Section 162(m).

Stock options granted under an equity compensation plan are performance-based compensation if (a) stockholders approve a maximum aggregate per person limit on the number of shares that may be granted each year, (b) any stock options are granted by a committee consisting solely of outside directors, and (c) the stock options have an exercise price that is not less than the fair value of common stock on the date of grant.

In the case of restricted stock, restricted stock units and unrestricted stock issuable upon achievement of performance goals, Section 162(m) requires that the general business criteria of any performance goals that are established by our Compensation Committee be approved and periodically reapproved by stockholders (generally, every five years) in order for such awards to be considered performance-based and deductible by the employer. Generally, the performance goals must be established before the beginning of the relevant performance period. Furthermore, satisfaction of any performance goals during the relevant performance period must be certified by the Compensation Committee.

Our Compensation Committee has designed the 1996 Equity Incentive Plan with the intention of satisfying Section 162(m) with respect to stock options, incentive stock awards and incentive cash awards granted to covered employees. In making determinations with respect to specific incentive awards for covered employees, the Committee considers whether such awards will be deductible under Section

[Table of Contents](#)

162(m) with a view to maximizing deductibility to the extent feasible and consistent with the Company's overall compensation goals and objectives

Payments Upon Termination or Change-in-Control

We do not have employment agreements or other agreements with any of our executive officers that entitle them to payments upon termination or in the event of a change in control.

Compensation Committee Report

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis with management. Based on this review and discussion, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this Proxy Statement, for the year ended December 31, 2007, for filing with the Securities and Exchange Commission.

- (1) Reflects the amount recognized for financial statement reporting purposes for each year in accordance with FAS 123(R), rather than the value of the actual award when issued to the officer. For the assumptions underlying the valuation of these awards see Note 14 to the Consolidated Financial Statements included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2007 filed with the SEC on February 28, 2008.
- (2) Amounts shown in the “Non-Equity Incentive Plan Compensation” column reflect the cash incentive awards granted at the beginning of each year, earned based on performance during that fiscal year and paid in the following fiscal year. The 2007 awards are described in further detail under the heading “Performance-Based Incentive Compensation—Incentive Cash Bonus” in the Compensation Discussion and Analysis and are also reflected in the table “Grants of Plan-Based Awards” under the column “Estimated Possible Payouts Under Non-Equity Incentive Plan Awards.”
- (3) Includes \$119,462 and \$53,799 for Kevin P. Reilly, Jr. and \$46,436 and \$62,450 for Sean Reilly for the personal use of Company aircraft in 2007 and 2006, respectively, as further described below. The amounts included in the “All Other Compensation” column also include the following perquisites provided to our named executive officers (except as otherwise indicated), which are valued at the Company’s incremental cost, none of which individually exceeded \$25,000: (a) personal use of a Company car, (b) Company-paid health insurance premiums and medical reimbursements, (c) Company paid premiums for term life insurance for Mr. Kevin P. Reilly, Jr. and (d) membership fees to a country club and an executive club for Mr. Kevin P. Reilly, Jr. Executives also have access to a country club at which the Company has a membership, but the executives pay all fees related to such personal use, resulting in no additional incremental cost to the Company.
- The Company’s incremental cost for personal use of the corporate aircraft is based on the incremental cost to the Company calculated based on the variable costs, related to the number of flight hours used, including fuel costs, landing/ramp fees, trip-related maintenance, crew travel expenses, supplies and catering, aircraft accrual expenses per hour of flight, any customs and foreign, permit or similar fees. Our fixed costs that do not change based on usage, such as pilot salaries and the cost of maintenance not related to trips are excluded. The incremental cost to the Company for personal use of a Company car is calculated as a portion of the annual lease, mileage and fuel attributable to the personal use.
- (4) Also includes employer contributions under the Company’s deferred compensation plan of \$57,500 for Mr. Kevin Reilly, Jr. and \$50,000 for each of Mr. Sean Reilly and Mr. Keith Istre for both 2007 and 2006.
- (5) Includes the FAS 123(R) value of the shares awarded pursuant to the achievement of performance goals for fiscal 2007, which award was certified as earned by the Compensation Committee and issued on February 14, 2008. Also includes the FAS 123(R) value of the shares awarded to each named executive officer in respect of their vested options on the record date of the Company’s special stock dividend, which shares were granted to all holders of vested options (the “special stock award”). The amount attributed with respect to the special stock award to each of Mr. Kevin P. Reilly, Jr. and Mr. Sean E. Reilly is \$381,875 and the amount attributed to Mr. Keith A. Istre is \$286,000.
- (6) Consists of the FAS 123(R) value of the shares awarded pursuant to the achievement of performance goals for fiscal 2006. The award was certified as earned by the Compensation Committee on February 19, 2007, which was not a trading day, and issued on February 20, 2007.

**PROPOSAL NO. 2: RATIFICATION OF INDEPENDENT
REGISTERED PUBLIC ACCOUNTING FIRM**

The firm of KPMG LLP, an independent registered public accounting firm, has audited our financial statements for the each of the years ending December 31, 2007, 2006 and 2005. Our Audit Committee has appointed them to serve as our independent registered public accounting firm for the fiscal year ending December 31, 2008. Detailed disclosure of the audit and tax fees we paid to KPMG LLP in 2007 and 2006 are set forth below. Based on these disclosures and information in the Audit Committee Report on page 22 of this proxy statement, our Audit Committee is satisfied that our accountants are sufficiently independent of management to perform their duties properly. Although not legally required to do so, our Board considers it desirable to seek, and recommends, shareholder ratification of our selection of KPMG LLP as our independent registered public accounting firm for fiscal 2008. If the stockholders fail to ratify our selection, the Audit Committee will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if the Audit Committee determines that such a change would be in the best interest of the Company and its stockholders.

Required Vote

The ratification of KPMG LLP as our independent public accounting firm will require a majority of the votes cast by the stockholders entitled to vote on this proposal at the meeting. Abstentions, broker non-votes, and votes withheld will not be treated as votes cast for this purpose and will not affect the outcome of the election.

Audit Fees and Services

The fees for services provided by KPMG LLP to the Company in 2007 and 2006 were as follows:

	Fiscal 2007	Fiscal 2006
Audit Fees(1)	\$ 941,000	\$ 990,000
Audit-Related Fees(2)	127,500	110,000
Tax Fees(3)	134,873	181,115
All Other Fees	7,548	—
Total	\$1,210,921	\$1,281,115

- (1) Audit Fees for the years ended December 31, 2007 and 2006 were for professional services rendered for the audits of our consolidated financial statements and review of financial statements included in our quarterly and annual financial statements and subsidiary audits. Audit Fees for the years ended December 31, 2007 and 2006 also include costs associated with KPMG LLP's audit of management's assessment of our internal control over financial reporting and KPMG's own audit of our internal control over financial reporting.
- (2) Audit related fees included professional services rendered issuance of comfort letters, consents and assistance with review of documents filed with the SEC.
- (3) Tax Fees as of the years ended December 31, 2007 and 2006, respectively, included tax compliance fees of \$16,250 and \$19,275, and tax planning fees of \$118,623 and \$161,840.

The Board of Directors recommends a vote FOR this Proposal.

ADDITIONAL INFORMATION

Other Matters

The Board of Directors is unaware of any business to be conducted at the Annual Meeting of Stockholders other than the matters described in the Notice to Stockholders. If other business is properly presented for consideration at the Annual Meeting, the enclosed proxy authorizes the persons named therein to vote the shares in their discretion on that matter.

Communications From Stockholders

The Board will give appropriate attention to written communications submitted by stockholders, and will respond if and as appropriate. Absent unusual circumstances or as contemplated by committee charters, the Chairman of the Audit Committee will, with the assistance of our General Counsel, (1) be primarily responsible for monitoring communications from stockholders and (2) provide copies or summaries of such communications to the other directors as he considers appropriate. Communications specifically addressed to a particular director will be forwarded to that director.

Communications will be forwarded to all directors if they relate to substantive matters and include suggestions or comments that the Chairman of the Audit Committee considers to be important for the directors to know. In general, communications relating to corporate governance and long-term corporate strategy are more likely to be forwarded than communications relating to personal grievances and matters as to which we tend to receive repetitive or duplicative communications.

Stockholders who wish to send communications on any topic to the Board should address such communications to the Chairman of the Audit Committee, c/o General Counsel, Lamar Advertising Company, 5551 Corporate Boulevard, Baton Rouge, Louisiana 70808.

Deadline For Stockholder Proposals and Director Nominations

In order for a stockholder proposal to be considered for inclusion in our proxy materials for the 2009 Annual Meeting of Stockholders, we must receive it no later than December 26, 2008 at the following address: 5551 Corporate Boulevard, Baton Rouge, Louisiana 70808, Attention: Secretary.

In addition, our bylaws require a stockholder who wishes to bring business before an annual meeting or propose director nominations at an annual meeting to give advance written notice to the Secretary as described in the bylaws. To be timely for the 2009 Annual Meeting of Stockholders, proposals must be received by not later than the close of business on March 8, 2009.

Expenses Of Solicitation

We will bear the cost of the solicitation of proxies, including the charges and expenses of brokerage firms and others of forwarding solicitation material to beneficial owners of common stock. In addition to the use of mails, proxies may be solicited by our officers and any regular employees in person or by telephone. We expect that the costs incurred in the solicitation of proxies will be nominal.
