Notes to Condensed Consolidated Financial Statements
(Unaudited)
(In thousands, except share and per share data)

(1) Significant Accounting Policies

The information included in the foregoing interim condensed consolidated financial statements is unaudited. In the opinion of management, all adjustments, consisting of normal recurring adjustments, necessary for a fair presentation of the Company's financial position and results of operations for the interim periods presented have been reflected herein. The results of operations for interim periods are not necessarily indicative of the results to be expected for the entire year. These interim condensed consolidated financial statements should be read in conjunction with the Company's consolidated financial statements and the notes thereto included in the 2024 Combined Form 10-K. Subsequent events, if any, are evaluated through the date on which the financial statements are issued.

(2) Revenues

Advertising revenues: The majority of our revenues are derived from contracts for advertising space on billboard, logo and transit displays. Contracts which do not meet the criteria of a lease under ASC 842, Leases are accounted for under ASC 606, Revenue from Contracts with Customers. The majority of our advertising space contracts do not meet the definition of a lease under ASC 842 and are therefore accounted for under ASC 606. The contract revenues are recognized ratably over their contract life. Costs to fulfill a contract, which include our costs to install advertising copy onto billboards, are capitalized and amortized to direct advertising expenses (exclusive of depreciation and amortization) in the Condensed Consolidated Statements of Income and Comprehensive Income.

Other revenues: Our other component of revenue primarily consists of production services which includes creating and printing the advertising copy. Revenue for production contracts is recognized under ASC 606. Contract revenues for production services are recognized upon satisfaction of the contract which is typically less than one week.

Arrangements with multiple performance obligations: Our contracts with customers may include multiple performance obligations. For such arrangements, we allocate revenue to each performance obligation based on the relative standalone selling price. We determine standalone selling prices based on the prices charged to customers using expected cost plus margin.

Deferred revenues: We record deferred revenues when cash payments are received or due in advance of our performance obligation. The term between invoicing and when a payment is due is not significant. For certain services we require payment before the product or services are delivered to the customer. The balance of deferred income is considered short-term and will be recognized in revenue within twelve months.

Practical expedients and exemptions: The Company is utilizing the following practical expedients and exemptions from ASC 606. We generally expense sales commissions when incurred because the amortization period is one year or less. These costs are recorded within direct advertising expenses (exclusive of depreciation and amortization). We do not disclose the value of unsatisfied performance obligations as the majority of our contracts with customers have an original expected length of less than one year. For contracts with customers which exceed one year, the future amount to be invoiced to the customer corresponds directly with the value to be received by the customer.

The following table presents our disaggregated revenue by source for the three months ended March 31, 2025 and 2024.

	Three Months Ended March 31,	
	2025	2024

(3) Leases

During the three months ended March 31, 2025 and 2024, we had operating lease costs of \$82,131 and \$79,252, respectively, and variable lease costs of \$13,932 and \$13,442, respectively. These operating lease costs are recorded in direct advertising expenses (exclusive of depreciation and amortization). For the three months ended March 31, 2025 and 2024, we recorded a loss of \$21 and \$8, respectively, in (gain) loss on disposition of assets and investments related to the amendment and termination of lease agreements. Cash payments of \$112,596 and \$115,690 were made reducing our operating lease liabilities for the three months ended March 31, 2025 and 2024, respectively, and are included in cash flows provided by operating activities in the Condensed Consolidated Statements of Cash Flows.

We elected the short-term lease exemption which applies to certain of our vehicle agreements. This election allows the Company to not recognize lease right of use assets ("ROU assets") or lease liabilities for agreements with a term of twelve months or less. We recorded \$2,634 and \$2,527 in direct advertising expenses (exclusive of depreciation and amortization) for these agreements during the three months ended March 31, 2025 and 2024, respectively.

Our operating leases have a weighted-average remaining lease term of 12.6 years. The weighted-average discount rate of our operating leases is 5.1%. Also, during the three months ended March 31, 2025 and 2024, we obtained \$4,326 and \$2,424, respectively, of leased assets in exchange for new operating lease liabilities, which includes liabilities obtained through acquisitions.

The following is a summary of the maturities of our operating lease liabilities as of March 31, 2025:

2025	\$ 167,022
2026	218,100
2027	192,354
2028	163,107
2029	142,208
Thereafter	1,002,715
Total undiscounted operating lease payments	1,885,506
Less: Imputed interest	(536,975)
Total operating lease liabilities	\$ 1,348,531

During the three months ended March 31, 2025 and 2024, \$713 of amortization expense for each period and \$110 and \$120 of interest expense relating to our financing lease liabilities were recorded in depreciation and amortization and interest expense, respectively, in the Condensed Consolidated Statements of Income and Comprehensive Income. Cash payments of \$333 were made reducing our financing lease liabilities for each of the three months ended March 31, 2025 and 2024, and are included in cash flows used in financing activities in the Condensed Consolidated Statements of Cash Flows. Our financing leases have a weighted-average remaining lease term of 2.7 years and a weighted-average discount rate of 3.1%.

Due to our election not to reassess conclusions about lease identification as part of the adoption of ASC 842, Leases, our transit agreements were accounted for as leases on January 1, 2019. As we enter into new or renew current transit agreements, those agreements do not meet the criteria of a lease under ASC 842, therefore they are no longer accounted for as a lease. For the three months ended March 31, 2025 and 2024, non-lease transit costs were \$23,448 and \$23,563, respectively. These transit expenses are recorded in direct advertising expenses (exclusive of depreciation and amortization) on the Condensed Consolidated Statements of Income and Comprehensive Income.

(4) Stock-Based Compensation

Equity Incentive Plan. Lamar 1996 Equity Incentive Plan, as amended, (the “1996 Plan”) has reserved 17.5 million shares of Class A common stock for issuance to directors and employees, including shares underlying granted options and common stock reserved for issuance under its performance-based incentive and LTIP unit program. Options granted under the 1996 plan expire ten years from the grant date with vesting terms ranging from three to five years which primarily include 1) options that vest in one-fifth increments beginning on the grant date and continuing on each of the first four anniversaries of the grant date and 2) options that cliff-vest on the fifth anniversary of the grant date. All grants are made at fair market value based on the closing price of our Class A common stock as reported on the Nasdaq Global Select Market on the date of grant.

We use a Black-Scholes-Merton option pricing model to estimate the fair value of share-based awards. The Black-Scholes-Merton option pricing model incorporates various and highly subjective assumptions, including expected term and expected volatility. The Company had 9,000 granted options of its Class A common stock during the three months ended March 31, 2025. At March 31, 2025 a total of 1,225,967 shares were available for future grant.

Stock Purchase Plan. On May 30, 2019, our shareholders approved Lamar Advertising’s 2019 Employee Stock Purchase Plan (the “2019 ESPP”). The number of shares of Class A common stock available for issuance under the 2019 ESPP was automatically increased by 87,976 shares on January 1, 2025 pursuant to the automatic increase provisions of the 2019 ESPP.

The following is a summary of 2019 ESPP share activity for the three months ended March 31, 2025:

	Shares
Available for future purchases, January 1, 2025	204,528
Additional shares reserved under 2019 ESPP	87,976
Purchases	(42,204)
Available for future purchases, March 31, 2025	250,300

Stock compensation. Unrestricted shares of our Class A common stock may be awarded to key officers, employees and directors under the Incentive Plan. The number of shares to be issued, if any, are generally dependent on the level of achievement of performance measures for key officers and employees, as determined by the Company’s Compensation Committee based on our 2025 results. Any shares issued based on the achievement of performance goals will be issued in the first quarter of 2026. The shares subject to these awards can range from a minimum of 0% to a maximum of 120% of the target number of shares depending on the level at which the goals are attained. Under the Incentive Plan, the Company’s Compensation Committee may also award additional shares in its discretion based on other factors, which awards, if any, will also be issued in the first quarter of 2026. For the three months ended March 31, 2025 and 2024, the Company recorded \$6,518 and \$9,925, respectively, as stock-based compensation expense.

LTIP Units. In addition to stock compensation, the Company may issue LTIP Units of Lamar Advertising Limited Partnership (the “OP”), a subsidiary of the Company, to certain officers, employees and directors under the Incentive Plan of the Company. Such LTIP Units are subject to vesting and forfeiture conditions based on performance criteria approved by the Compensation Committee. The Compensation Committee may also make discretionary grants of LTIP Units based on other factors. LTIP Units are a class of units intended to qualify as “profits interests” of the OP. The LTIP Units convert into Common Units of the OP upon the occurrence of certain events. Common Units are redeemable by the holder for shares of the Company’s Class A common stock after a holding period of twelve months, or may be paid out in cash at the option of the general partner of the OP. As of March 31, 2025, the OP has a total of 380,800 LTIP Units issued and outstanding to the Company’s executive officers, of which 260,800 LTIP units have vested. For the three months ended March 31, 2025 and 2024, the Company recorded \$2,421 and \$3,062, respectively, as stock-based compensation expense related to these LTIP Units.

Restricted stock compensation. Annually, each non-employee director automatically receives a restricted stock award of our Class A common stock upon election or re-election. The awards vest 50% on grant date and 50% on the last day of the directors’ one year term. For the three months ended March 31, 2025 and 2024, the Company recorded \$65 and \$137, respectively, in stock-based compensation expense related to these awards.

Senior Credit Facility

On February 6, 2020, Lamar Media entered into a Fourth Amended and Restated Credit Agreement (the “Fourth Amended and Restated Credit Agreement”) with certain of Lamar Media’s subsidiaries as guarantors, JPMorgan Chase Bank, N.A. as administrative agent and the lenders party thereto, under which the parties agreed to amend and restate Lamar Media’s existing senior credit facility. The Fourth Amended and Restated Credit Agreement amended and restated the Third Amended and Restated Credit Agreement dated as of May 15, 2017, as amended (the “Third Amended and Restated Credit Agreement”).

The senior credit facility, as established by the Fourth Amended and Restated Credit Agreement (the “senior credit facility”), consists of (i) a \$750,000 senior secured revolving credit facility which will mature on July 31, 2028, subject to certain conditions (see description of Amendment No. 4 below) (the “revolving credit facility”), (ii) a \$600,000 senior secured Term B loan facility (the “Term B loans”) which will mature on February 6, 2027, (iii) an incremental facility (the “Incremental Facility”) pursuant to which Lamar Media may incur additional term loan tranches or increase its revolving credit facility subject to a pro forma secured debt ratio of 4.50 to 1.00, as well as certain other conditions including lender approval. Lamar Media borrowed all \$600,000 in Term B loans on February 6, 2020. The entire amount of the Term B loans will be payable at maturity. The net proceeds from the Term B loans, together with borrowings under the revolving portion of the senior credit facility and a portion of the proceeds of the issuance of the 3 3/4% Senior Notes due 2028 and 4% Senior Notes due 2030 (both as described below), were used to repay all outstanding amounts under the Third Amended and Restated Credit Agreement, and all revolving commitments under that facility were terminated.

The Term B loans mature on February 6, 2027 with no required amortization payments. The Term B loans bear interest at rates based on the Term Secured Overnight Financing Rate (“Term SOFR”) plus a credit spread adjustment of 0.10% (Term SOFR plus such credit spread adjustment, the “Adjusted Term SOFR Rate”) or the Adjusted Base Rate, at Lamar Media’s option. Term B loans bearing interest at a rate based on Term SOFR bear interest at a rate per annum equal to the Adjusted Term SOFR Rate plus 1.50%. Term B loans bearing interest at a rate based on the Adjusted Base Rate bear interest at a rate per annum equal to the Adjusted Base Rate plus 0.50%.

The revolving credit facility bears interest at rates based on Term SOFR (“Term SOFR revolving loans”) or the Adjusted Base Rate (“Base Rate revolving loans”), at Lamar Media’s option. Term SOFR revolving loans bear interest at a rate per annum equal to the Adjusted Term SOFR Rate plus 1.50% (or the Adjusted Term SOFR Rate plus 1.25% at any time the Total Debt Ratio is less than or equal to 3.25 to 1). Base Rate revolving loans bear interest at a rate per annum equal to the Adjusted Base Rate plus 0.50% (or the Adjusted Base Rate plus 0.25% at any time the total debt ratio is less than or equal to 3.25 to 1). The guarantees, covenants, events of default and other terms of the senior credit facility apply to the Term B loans and revolving credit facility.

On July 29, 2022, Lamar Media entered into Amendment No. 2 ("Amendment No. 2") to the Fourth Amended and Restated Credit Agreement with certain of Lamar Media's subsidiaries as guarantors, JPMorgan Chase Bank, N.A. as administrative agent and the lenders party thereto. Amendment No. 2 established the Term A loans as a new class of incremental term loans. The Term A loans were set to mature on February 6, 2025 with no required amortization payments prior to maturity and bore interest at rates based on Term SOFR ("Term SOFR Term A loans") or the Adjusted Base Rate ("Base Rate Term A loans"), at Lamar Media's option. Term SOFR Term A loans bore interest at a rate per annum equal to the Adjusted Term SOFR Rate plus 1.50% (or the Adjusted Term SOFR Rate plus 1.25% at any time the Total Debt Ratio is less than or equal to 3.25 to 1). Base Rate Term A loans bore interest at a rate per annum equal to the Adjusted Base Rate plus 0.50% (or the Adjusted Base Rate plus 0.25% at any time the total debt ratio is less than or equal to 3.25 to 1). The covenants, events of default and other terms of the senior credit facility apply to the Term A loans. Lamar Media borrowed all \$350,000 in Term A loans on July 29, 2022. Proceeds from the Term A loans were used to repay outstanding balances on the revolving credit facility and a portion of the outstanding balance on the Accounts Receivable Securitization Program. The Term A loans were subsequently repaid in full on July 31, 2024.

On April 26, 2023, Lamar Media entered into Amendment No. 3 ("Amendment No. 3") to the Fourth Amended and Restated Credit Agreement with certain of Lamar Media's subsidiaries as guarantors, JPMorgan Chase Bank N.A. as administrative agent and the lenders party thereto. Amendment No. 3 replaced the London Interbank Offered Rates as administered by the ICE Benchmark Administration with Term SOFR as the successor rate, as set in the Fourth Amended and Restated Credit Agreement. All other material terms and conditions of the Fourth Amended and Restated Credit Agreement remain unchanged by Amendment No. 3.

On July 31, 2023, Lamar Media entered into Amendment No. 4 (the "Amendment No. 4"), to the Fourth Amended and Restated Credit Agreement with certain of Lamar Media's subsidiaries as guarantors, JPMorgan Chase Bank, N.A., as administrative agent and the lenders party thereto. Amendment No. 4 extends the maturity date of Lamar Media's \$750,000 revolving credit facility such that the revolving credit facility matures July 31, 2028; provided, that, if on the date (a "Credit Facility Springing Maturity Test Date") that is 91 days prior to either the then scheduled maturity date of Lamar Media's Term B loans (which is currently February 6, 2027) or the February 15, 2028 maturity date of Lamar Media's 3 3/4% Notes, the Company and its restricted subsidiaries do not have sufficient liquidity (defined as unrestricted cash and cash equivalents of the Company and its restricted subsidiaries plus unused commitments under the revolving credit facility) to repay in full the aggregate outstanding amount (including all accrued and unpaid interest, premiums and make-whole amounts (if any)) of the Term B loans or the 3 3/4% Notes (as applicable), the revolving credit facility will mature on such Credit Facility Springing Maturity Test Date. On the maturity date of the revolving credit facility, the entire principal amount of revolving loans outstanding under the revolving credit facility, together with all accrued and unpaid interest on such revolving loans, will be due and payable.

Amendment No. 4 also establishes a \$75,000 swingline as a sublimit of the revolving credit facility, which allows Lamar Media to borrow revolving loans on a same-day basis, in an aggregate outstanding principal amount of up to \$75,000. In addition, Amendment No. 4 amends the provisions of the Fourth Amended and Restated Credit Agreement related to incremental facilities to allow Lamar Media to establish, from time to time, one or more new incremental revolving facilities on the terms, and subject to the conditions, set forth therein.

As of March 31, 2025, there were \$286,000 in borrowings outstanding under the revolving credit facility. Availability under the revolving credit facility is reduced by the amount of any letters of credit outstanding. Lamar Media had \$8,770 in letters of credit outstanding as of March 31, 2025 resulting in \$455,230 of availability under its revolving credit facility. Revolving credit loans may be requested under the revolving credit facility at any time prior to its maturity.

The terms of Lamar Media's senior credit facility and the indentures relating to Lamar Media's outstanding notes restrict, among other things, the ability of Lamar Advertising and Lamar Media to:

- dispose of assets;
- incur or repay debt;
- create liens;

**LAMAR ADVERTISING COMPANY
AND SUBSIDIARIES**
Notes to Condensed Consolidated Financial Statements
(Unaudited)

- make investments; and
- pay dividends.

The senior credit facility contains provisions that allow Lamar Media to conduct its affairs in a manner that allows Lamar Advertising to qualify and remain qualified as a REIT, including by allowing Lamar Media to make distributions to Lamar Advertising required for the Company to qualify and remain qualified for taxation as a REIT, subject to certain restrictions.

Lamar Media's ability to make distributions to Lamar Advertising is also restricted under the terms of these agreements. Under Lamar Media's senior credit facility, the Company must maintain a specified secured debt ratio as long as a revolving credit commitment, revolving loan or letter of credit remains outstanding, and in addition, must satisfy a total debt ratio in order to incur debt, make distributions or make certain investments.

Lamar Advertising and Lamar Media were in compliance with all of the terms of their indentures and the senior credit facility provisions during the periods presented.

Accounts Receivable Securitization Program

On December 18, 2018, Lamar Media entered into a \$175,000 Receivable Financing Agreement (the "Receivable Financing Agreement") with its wholly-owned special purpose entities, Lamar QRS Receivables, LLC and Lamar TRS Receivables, LLC (the "Special Purpose Subsidiaries") (the "Accounts Receivable Securitization Program"). The Accounts Receivable Securitization Program is limited to the availability of eligible accounts receivable collateralizing the borrowings under the agreements governing the Accounts Receivable Securitization Program.

Pursuant to two separate Purchase and Sale Agreements dated December 18, 2018, each of which is among Lamar Media as initial Servicer, certain of Lamar Media's subsidiaries and a Special Purpose Subsidiary, the subsidiaries sold substantially all of their existing and future accounts receivable balances to the Special Purpose Subsidiaries. The Special Purpose Subsidiaries use the accounts receivable balances to collateralize loans pursuant to the Accounts Receivable Securitization Program. Lamar Media retains the responsibility of servicing the accounts receivable balances pledged as collateral under the Accounts Receivable Securitization Program and provides a performance guaranty.

On June 24, 2022, Lamar Media and the Special Purpose Subsidiaries entered into the Sixth Amendment (the "Sixth Amendment") to the Receivables Financing Agreement. The Sixth Amendment increased the Accounts Receivable Securitization Program from \$175,000 to \$250,000 and extended the maturity date of the Accounts Receivable Securitization Program to July 21, 2025. Additionally, the Sixth Amendment provides for the replacement of LIBOR-based interest rate mechanics with Term SOFR based interest rate mechanics for the Accounts Receivable Securitization Program.

As of March 31, 2025 there was \$223,500 outstanding aggregate borrowings under the Accounts Receivable Securitization Program. Lamar Media had no additional availability for borrowing under the Accounts Receivable Securitization Program as of March 31, 2025. The commitment fees based on the amount of unused commitments under the Accounts Receivable Securitization Program were immaterial during the three months ended March 31, 2025.

The Accounts Receivable Securitization Program was set to mature on July 21, 2025, but was subsequently extended to October 15, 2027 by the Seventh Amendment to the Receivables Financing Agreement dated October 15, 2024; provided, that, if on the date (a “Securitization Springing Maturity Test Date”) that is 91 days prior to the then scheduled maturity date of Lamar Media’s Term Loan B loans (which is currently February 6, 2027), (a) any of the outstanding Term B loans has a scheduled maturity date prior to the date that is 91 days prior to the then scheduled maturity date of Lamar Media’s revolving credit facility (which is currently July 31, 2028) and (b) the Company and its restricted subsidiaries do not have sufficient liquidity (defined as (i) unused commitments under the revolving credit facility plus (ii) unrestricted cash and cash equivalents of the Company and its restricted subsidiaries plus (iii) borrowing availability under the Accounts Receivable Securitization Program) to repay in full the aggregate outstanding amount (including all accrued and unpaid interest, premiums and make-whole amounts (if any)) of the Term Loan B loans, then the Accounts Receivable Securitization Program will mature on such Securitization Springing Maturity Test Date. Lamar Media may amend the facility to further extend the maturity date, enter into a new securitization facility with a different maturity date, or refinance the indebtedness outstanding under the Accounts Receivable Securitization Program using borrowings under its senior credit facility or from other financing sources.

The Accounts Receivable Securitization Program is accounted for as a collateralized financing activity, rather than a sale of assets, and therefore: (i) accounts receivable balances pledged as collateral are presented as assets and the borrowings are presented as liabilities on our Condensed Consolidated Balance Sheets, (ii) our Condensed Consolidated Statements of Income and Comprehensive Income reflect the associated charges for bad debt expense (a component of general and administrative expenses) related to the pledged accounts receivable and interest expense associated with the collateralized borrowings and (iii) receipts from customers related to the underlying accounts receivable are reflected as operating cash flows and borrowings and repayments under the collateralized loans are reflected as financing cash flows within our Condensed Consolidated Statements of Cash Flows.

(11) Fair Value of Financial Instruments

At March 31, 2025 and December 31, 2024, the Company’s financial instruments included cash and cash equivalents, marketable securities, accounts receivable, investments, accounts payable and borrowings. The fair values of cash and cash equivalents, accounts receivable, accounts payable and short-term borrowings and current portion of long-term debt approximated carrying values because of the short-term nature of these instruments. Investment contracts are reported at fair values. The estimated fair value of the Company’s long-term debt (including current maturities) was \$3,058,118 which does not exceed the carrying amount of \$3,209,782 as of March 31, 2025. The majority of the fair value is determined using observed prices of publicly traded debt (level 1 in the fair value hierarchy) and the remaining is valued based on quoted prices for similar debt (level 2 in the fair value hierarchy).

(16) Stockholders' Equity

Sales Agreement. On July 24, 2024, the Company entered into an equity distribution agreement, or At-the-Market Offering agreement, (the "2024 Sales Agreement") with J.P. Morgan Securities LLC, Wells Fargo Securities LLC, Truist Securities, Inc., SMBC Nikko Securities America, Inc. and Scotia Capital (USA) Inc. as our sales agents (each a "Sales Agent", and collectively, the "Sales Agents"), which replaced the prior Sales Agreement with substantially similar terms which expired by its terms on June 21, 2024. Under the terms of the 2024 Sales Agreement, the Company may, from time to time, issue and sell shares of its Class A common stock, having an aggregate offering price of up to \$400,000, through the Sales Agents as either agents or principals.

Sales of the Class A common stock, if any, may be made in negotiated transactions or transactions that are deemed to be "at-the-market offerings" as defined in Rule 415 under the Securities Act of 1933, as amended, including sales made directly on or through the Nasdaq Global Select Market and any other existing trading market for the Class A common stock, or sales made to or directly through a market maker other than on an exchange. The Company has no obligation to sell any of the Class A Common stock under the 2021 Sales Agreement and may at any time suspend solicitations and offers under the 2024 Sales Agreement.

As of March 31, 2025, no shares of our Class A common stock have been sold under the 2024 Sales Agreement or were sold under the prior Sales Agreement.

(17) Segment Reporting

The Company revised its segment information to reflect the adoption of ASU 2023-07 and certain changes resulting from our periodic review of factors relevant to how the chief operating decision maker (CODM) assesses performance and allocates resources in accordance with FASB ASC 280, Segment Reporting. As described in Note 1, we currently manage our operations through three operating segments - billboard, logo, and transit advertising. Logo and transit advertising do not meet the criteria to be reportable segments, and accordingly, are included in Other.

We define the term CODM to be our executive management group, which consists of our Executive Chairman, President and Chief Executive Officer, and Chief Financial Officer. Net revenues, advertising expenses and segmented adjusted EBITDA are used to monitor expected versus actual results. Total advertising expenses is the expense category regularly provided to the CODM. There are no other expenses regularly provided to the CODM that are used to manage the segment's operations. Total advertising expenses is defined as direct advertising expenses and general and administrative expenses excluding stock-based compensation expense and capitalized contract fulfillment costs. Segment Adjusted EBITDA is the profitability metric reported to the Company's CODM for purposes of assessing the performance of each operating segment as well as to make decisions related to invested capital, personnel, operational improvement or training, or to allocate other company resources. We define adjusted EBITDA as net income before income tax (expense) benefit, interest (expense) income, equity in earnings (loss) of investee, (loss) gain on extinguishment of debt and investments, stock-based compensation, depreciation and amortization, (loss) gain on disposition of assets and investments, transaction expenses and capitalized contract fulfillment costs, net. Segment information for total assets is not presented as this information is not used by the Company's CODM in measuring segment performance or allocating resources between segments.

ITEM 2. MANAGEMENT’S DISCUSSION AND ANALYSIS OF FINANCIAL CONDITION AND RESULTS OF OPERATIONS

This report contains forward-looking statements. Actual results could differ materially from those anticipated by the forward-looking statements due to risks and uncertainties described in the section of this combined report on Form 10-Q entitled “Note Regarding Forward-Looking Statements” and in Item 1A to the 2024 Combined Form 10-K filed on February 20, 2025, and as such risk factors as further updated or supplemented, from time to time, in our combined Quarterly Reports on Form 10-Q and Current Reports on Form 8-K. You should carefully consider each of these risks and uncertainties in evaluating the Company’s and Lamar Media’s financial conditions and results of operations. Investors are cautioned not to place undue reliance on the forward-looking statements contained in this document. These statements speak only as of the date of this document, and the Company undertakes no obligation to update or revise the statements, except as may be required by law.

LAMAR ADVERTISING COMPANY

The following is a discussion of the consolidated financial condition and results of operations of the Company for the three months ended March 31, 2025 and 2024. This discussion should be read in conjunction with the condensed consolidated financial statements of the Company and the related notes thereto.

Overview

The Company’s net revenues are derived primarily from the rental of advertising space on outdoor advertising displays owned and operated by the Company. We manage our business through three operating segments – billboard, logo and transit advertising. Revenue growth is based on many factors that include the Company’s ability to increase occupancy of its existing advertising displays; raise advertising rates; and acquire new advertising displays and its operating results are therefore affected by general economic conditions, as well as trends in the advertising industry. Advertising spending is particularly sensitive to changes in general economic conditions, which affect the rates the Company is able to charge for advertising on its displays and its ability to maximize advertising sales or occupancy on its displays.

Acquisitions and capital expenditures

Historically, the Company has made strategic acquisitions of outdoor advertising assets to increase the number of outdoor advertising displays it operates in existing and new markets. The Company continues to evaluate and pursue strategic acquisition opportunities as they arise. The Company has financed its historical acquisitions and intends to finance any future acquisition activity from available cash, borrowings under the senior credit facility and the Accounts Receivable Securitization Program or the issuance of debt or equity securities. See “Liquidity and Capital Resources- Sources of Cash,” for more information.

During the three months ended March 31, 2025, the Company completed multiple acquisitions for a total cash purchase price of approximately \$22.1 million. See *Uses of Cash – Acquisitions* for more information. The Company’s business requires expenditures for maintenance and capitalized costs associated with the construction of new billboard displays, the entrance into and renewal of logo sign and transit contracts, and the purchase of real estate and operating equipment. The following table presents a breakdown of capitalized expenditures for the three months ended March 31, 2025 and 2024:

	Three Months Ended March 31,	
	2025	2024
Total capital expenditures:

Non-GAAP Financial Measures

Our management reviews our performance by focusing on several key performance indicators not prepared in conformity with Generally Accepted Accounting Principles in the United States (“GAAP”). We believe these non-GAAP performance indicators are meaningful supplemental measures of our operating performance and should not be considered in isolation of, or as a substitute for, their most directly comparable GAAP financial measures.

Included in our analysis of our results of operations are discussions regarding earnings before interest, taxes, depreciation and amortization (“adjusted EBITDA”), Funds From Operations (“FFO”), as defined by the National Association of Real Estate Investment Trusts, Adjusted Funds From Operations (“AFFO”) and acquisition-adjusted net revenue.

We define adjusted EBITDA as net income before income tax expense (benefit), interest expense (income), equity in (earnings) loss of investee, loss (gain) on extinguishment of debt and investments, stock-based compensation, depreciation and amortization, loss (gain) on disposition of assets and investments, transaction expenses and capitalized contract fulfillment costs, net. Our management uses this measure internally to evaluate the performance of our business as a whole and our individual business segments.

FFO is defined as net income before (gain) loss from the sale or disposal of real estate assets and investments, net of tax, and real estate related depreciation and amortization and including adjustments to eliminate unconsolidated affiliates and non-controlling interest.

We define AFFO as FFO before (i) straight-line income and expense; (ii) capitalized contract fulfillment costs, net; (iii) stock-based compensation expense; (iv) non-cash portion of tax expense (benefit); (v) non-real estate related depreciation and amortization; (vi) amortization of deferred financing costs; (vii) loss on extinguishment of debt; (viii) transaction expenses; (ix) non-recurring infrequent or unusual losses (gains); (x) less maintenance capital expenditures; and (xi) an adjustment for unconsolidated affiliates and non-controlling interest.

Acquisition-adjusted net revenue adjusts our net revenue for the prior period by adding to it the net revenue generated by the acquired assets before our acquisition of these assets for the same time frame that those assets were owned in the current period. In calculating acquisition-adjusted revenue, therefore, we include revenue generated by assets that we did not own in the period but acquired in the current period. We refer to the amount of pre-acquisition revenue generated by the acquired assets during the prior period that corresponds with the current period in which we owned the assets (to the extent within the period to which this report relates) as “acquisition net revenue”. In addition, we also adjust the prior period to subtract revenue generated by the assets that have been divested since the prior period and, therefore, no revenue derived from those assets is reflected in the current period.

Adjusted EBITDA, FFO, AFFO and acquisition-adjusted net revenue are not intended to replace net income or any other performance measures determined in accordance with GAAP. Neither FFO nor AFFO represent cash flows from operating activities in accordance with GAAP and, therefore, these measures should not be considered indicative of cash flows from operating activities as a measure of liquidity or of funds available to fund our cash needs, including our ability to make cash distributions. Rather, adjusted EBITDA, FFO, AFFO and acquisition-adjusted net revenue are presented as we believe each is a useful indicator of our current operating performance. We believe that these metrics are useful to an investor in evaluating our operating performance because (1) each is a key measure used by our management team for purposes of decision-making and for evaluating our core operating results; (2) adjusted EBITDA is widely used in the industry to measure operating performance as depreciation and amortization may vary significantly among companies depending upon accounting methods and useful lives, particularly where acquisitions and non-operating factors are involved; (3) acquisition-adjusted net revenue is a supplement to net revenue to enable investors to compare period-over-period results on a more consistent basis without the effects of acquisitions and divestitures, which reflects our core performance and organic growth (if any) during the period in which the assets were owned and managed by us; (4) adjusted EBITDA, FFO and AFFO each provide investors with a meaningful measure for evaluating our period-to-period operating performance by eliminating items that are not operational in nature; and (5) each provides investors with a measure for comparing our results of operations to those of other companies.

Our measurement of adjusted EBITDA, FFO, AFFO and acquisition-adjusted net revenue may not, however, be fully comparable to similarly titled measures used by other companies. Reconciliations of adjusted EBITDA, FFO, AFFO and acquisition-adjusted net revenue to net income, the most directly comparable GAAP measure, have been included herein.

RESULTS OF OPERATIONS

Three months ended March 31, 2025 compared to three months ended March 31, 2024

Net revenues increased \$7.3 million or 1.5% to \$505.4 million for the three months ended March 31, 2025 from \$498.2 million for the same period in 2024. This increase was primarily attributable to an increase in billboard net revenues of \$5.5 million and an increase in transit net revenues of \$0.9 million over the same period in 2024.

For the three months ended March 31, 2025, there was a \$5.4 million increase in net revenues as compared to acquisition-adjusted net revenues for the three months ended March 31, 2024, which represents an increase of 1.1%. See "Reconciliations" below. The \$5.4 million increase in revenue is primarily due to an increase of \$5.2 million in billboard net revenues and \$0.5 million in logo net revenues, offset by a decrease in transit net revenues of \$0.3 million over the same period in 2024.

Total operating expenses, exclusive of depreciation and amortization and gain on disposition of assets and investments, increased \$5.7 million, or 1.9%, to \$306.2 million for the three months ended March 31, 2025 from \$300.5 million for the same period in 2024. The \$5.7 million increase over the prior year is comprised of a \$9.5 million increase in total direct, general and administrative and corporate expenses (excluding stock-based compensation) primarily related to the operations of our outdoor advertising assets, offset by a \$3.9 million decrease in stock-based compensation.

Depreciation and amortization expense increased \$2.6 million to \$77.8 million for the three months ended March 31, 2025 as compared to \$75.2 million for the same period in 2024, primarily related to acquisitions and capital expenditures completed in the last twelve months.

For the three months ended March 31, 2025, the Company recognized a gain on disposition of assets and investments of \$69.8 million primarily resulting from the sale of Lamar's equity interest in Vistar Media, Inc., as well as transactions related to the sale of real estate and billboard locations and displays.

Due to the above factors, operating income increased by \$66.6 million to \$191.2 million for the three months ended March 31, 2025 as compared to \$124.6 million for the same period in 2024.

Interest expense decreased \$6.2 million for the three months ended March 31, 2025 to \$38.3 million as compared to \$44.5 million for the three months ended March 31, 2024. The decrease was primarily due to the repayment of the Term A loans outstanding under the senior credit facility in July of 2024 as well as a decrease in interest rates on the senior credit facility and Accounts Receivable Securitization Program.

Equity in (earnings) loss of investee was \$(0.4) million and \$0.6 million for the three months ended March 31, 2025 and 2024, respectively.

The increase in operating income resulted in a \$73.8 million increase in income before income tax expense. The effective tax rate for the three months ended March 31, 2025 was 9.5%, which differs from the federal statutory rate primarily due to our qualification for taxation as a REIT and adjustments for foreign items.

As a result of the above factors, the Company recognized net income for the three months ended March 31, 2025 of \$139.2 million, as compared to net income of \$78.5 million for the same period in 2024.

Reconciliations:

Because acquisitions occurring after December 31, 2023 have contributed to our net revenue results for the periods presented, we provide 2024 acquisition-adjusted net revenue, which adjusts our 2024 net revenue for the three months ended March 31, 2024 by adding to or subtracting from it the net revenue generated by the acquired or divested assets prior to our acquisition or divestiture of these assets for the same time frame that those assets were owned in the three months ended March 31, 2025.

Reconciliations of 2024 reported net revenue to 2024 acquisition-adjusted net revenue for the three months ended March 31, as well as a comparison of 2024 acquisition-adjusted net revenue to 2025 reported net revenue for the three months ended March 31, are provided below:

(2) Corporate operations are not an operating segment. Corporate expenses include expenses related to infrastructure and support, including information technology, human resources, legal, finance and administrative functions of the Company, as well as overall executive, administrative and support functions.

Adjusted EBITDA for the three months ended March 31, 2025 decreased 0.8% to \$210.2 million. The decrease in adjusted EBITDA was primarily attributable to the decrease in our billboard advertising adjusted EBITDA of \$1.5 million and a decrease in other adjusted EBITDA of \$1.1 million, offset by a decrease in corporate expenses of \$0.9 million, excluding the impact of stock-based compensation expense.

AFFO for the three months ended March 31, 2025 increased 3.8% to \$164.3 million as compared to \$158.2 million for the same period in 2024. LIQUIDITY AND CAPITAL RESOURCES

Overview

The Company has historically satisfied its working capital requirements with cash from operations and borrowings under the senior credit facility and the Accounts Receivable Securitization Program. The Company's wholly owned subsidiary, Lamar Media Corp., is the borrower under the senior credit facility and maintains all corporate operating cash balances. Certain subsidiaries of Lamar Media are the principal borrowers under the Accounts Receivable Securitization Program. Any cash requirements of the Company, therefore, must be funded by distributions from Lamar Media.

Sources of Cash

Total Liquidity. As of March 31, 2025 we had \$491.3 million of total liquidity, which is comprised of \$36.1 million in cash and cash equivalents and \$455.2 million of availability under the revolving portion of Lamar Media's senior credit facility. We expect our total liquidity to be adequate for the Company to meet its operational requirements for the next twelve months. We are currently in compliance with the maintenance covenant included in the senior credit facility and we would remain in compliance after giving effect to borrowing the full amount available to us under the revolving portion of the senior credit facility.

As of March 31, 2025 and December 31, 2024, the Company had a working capital deficit of \$312.0 million and \$353.2 million, respectively. The decrease in working capital deficit of \$41.2 million is primarily due to a decrease in borrowings outstanding on the Accounts Receivable Securitization Program as well as a decrease in current operating lease liabilities.

Cash Generated by Operations. For the three months ended March 31, 2025 and 2024, our cash provided by operating activities was \$127.7 million and \$110.6 million, respectively. The increase in cash provided by operating activities for the three months ended March 31, 2025 over the same period in 2024 primarily relates to an increase in revenue as well as an increase in collections on receivables. We expect to generate cash flows from operations during 2025 in excess of our cash needs for operations, capital expenditures and dividends, as described herein. We believe we have sufficient liquidity available under our revolving credit facility to meet our operating cash needs for the next twelve months.

Accounts Receivable Securitization Program. On June 24, 2022, Lamar Media and the Special Purpose Subsidiaries entered into the Sixth Amendment (the "Sixth Amendment") to the Receivables Financing Agreement. The Sixth Amendment increased the Accounts Receivable Securitization Program from \$175.0 million to \$250.0 million and extended the maturity date of the Accounts Receivable Securitization Program to July 21, 2025. Additionally, the Sixth Amendment provides for the replacement of LIBOR-based interest rate mechanics with Term Secured Overnight Financing Rate ("Term SOFR") based interest rate mechanics for the Accounts Receivable Securitization Program.

Borrowing capacity under the Accounts Receivable Securitization Program is limited to the availability of eligible accounts receivable collateralizing the borrowings under the agreements governing the Accounts Receivable Securitization Program. In connection with the Accounts Receivable Securitization Program, Lamar Media and certain of its subsidiaries (such subsidiaries, the "Subsidiary Originators") sell and/or contribute their existing and future accounts receivable and certain related assets to one of two special purpose subsidiaries, Lamar QRS Receivables, LLC (the "QRS SPV") and Lamar TRS Receivables, LLC (the "TRS SPV" and together with the QRS SPV the "Special Purpose Subsidiaries"), each of which is a wholly-owned subsidiary of Lamar Media. Existing and future accounts receivable relating to Lamar Media and its qualified REIT subsidiaries will be sold and/or contributed to the QRS SPV and existing and future accounts receivable relating to Lamar Media's Taxable REIT Subsidiaries ("TRSs") will be sold and/or contributed to the TRS SPV. Each of the Special Purpose Subsidiaries has granted the lenders party to the Accounts Receivable Securitization Program a security interest in all of its assets, which consist of the accounts receivable and related assets sold or contributed to them, as described above, in order to secure the obligations of the Special Purpose Subsidiaries under the agreements governing the Accounts Receivable Securitization Program. Pursuant to the Accounts Receivable Securitization Program, Lamar Media has agreed to service the accounts receivable on behalf of the two Special Purpose Subsidiaries for a fee. Lamar Media has also agreed to guaranty its performance in its capacity as servicer and originator, as well as the performance of the Subsidiary Originators, of their obligations under the agreements governing the Accounts Receivable Securitization Program. None of Lamar Media, the Subsidiary Originators or the Special Purpose Subsidiaries guarantees the collectability of the receivables under the Accounts Receivable Securitization Program. In addition, each of the Special Purpose Subsidiaries is a separate legal entity with its own separate creditors who will be entitled to access the assets of such Special Purpose Subsidiary before the assets become available to Lamar Media. Accordingly, the assets of the Special Purpose Subsidiaries are not available to pay creditors of Lamar Media or any of its subsidiaries, although collections from receivables in excess of the amounts required to repay the lenders and the other creditors of the Special Purpose Subsidiaries may be remitted to Lamar Media.

As of March 31, 2025, there was \$223.5 million in outstanding aggregate borrowings under the Accounts Receivable Securitization Program. Lamar Media had no additional availability under the Accounts Receivable Securitization Program as of March 31, 2025.

The Accounts Receivable Securitization Program was set to mature on July 21, 2025, but was subsequently extended to October 15, 2027 by the Seventh Amendment to the Receivables Financing Agreement dated October 15, 2024; provided, that, if on the date (a "Securitization Springing Maturity Test Date") that is 91 days prior to the then scheduled maturity date of Lamar Media's Term Loan B loans (which is currently February 6, 2027), (a) any of the outstanding Term B loans has a scheduled maturity date prior to the date that is 91 days prior to the then scheduled maturity date of Lamar Media's revolving credit facility (which is currently July 31, 2028) and (b) the Company and its restricted subsidiaries do not have sufficient liquidity (defined as (i) unused commitments under the revolving credit facility plus (ii) unrestricted cash and cash equivalents of the Company and its restricted subsidiaries plus (iii) borrowing availability under the Accounts Receivable Securitization Program) to repay in full the aggregate outstanding amount (including all accrued and unpaid interest, premiums and make-whole amounts (if any)) of the Term Loan B loans, then the Accounts Receivable Securitization Program will mature on such Securitization Springing Maturity Test Date. Lamar Media may amend the facility to further extend the maturity date, enter into a new securitization facility with a different maturity date, or refinance the indebtedness outstanding under the Accounts Receivable Securitization Program using borrowings under its senior credit facility or from other financing sources.

“At-the-Market” Offering Program. On July 24, 2024, the Company entered into an equity distribution agreement, or At-the-Market Offering agreement, (the “2024 Sales Agreement”), with J.P. Morgan Securities LLC, Wells Fargo Securities, LLC, Truist Securities, Inc., SMBC Nikko Securities America, Inc. and Scotia Capital (USA) Inc. as our sales agents (each a “Sales Agent”, and collectively, the “Sales Agents”), which replaced the prior Sales Agreement with substantially similar terms (the “2021 Sales Agreement”). Under the terms of the 2024 Sales Agreement, the Company may, from time to time, issue and sell shares of its Class A common stock, having an aggregate offering price of up to \$400.0 million through the Sales Agents as either agents or principals. Sales of the Class A common stock, if any, may be made in negotiated transactions or transactions that are deemed to be “at-the-market offerings” as defined in Rule 415 under the Securities Act of 1933, as amended, including sales made directly on or through the Nasdaq Global Select Market and any other existing trading market for the Class A common stock, or sales made to or through a market maker other than on an exchange. The Company has no obligation to sell any of the Class A common stock under the 2024 Sales Agreement and may at any time suspend solicitations and offers under the 2024 Sales Agreement. The Company intends to use the net proceeds, if any, from the sale of the Class A common stock pursuant to the 2024 Sales Agreement for general corporate purposes, which may include the repayment, refinancing, redemption or repurchase of existing indebtedness, working capital, capital expenditures, acquisition of outdoor advertising assets and businesses and other related investments. The Company did not issue any shares under the 2024 Sales Agreement during the year ended December 31, 2024 and the three months ended March 31, 2025. The Company did not issue any shares under the 2021 Sales Agreement from inception through expiration.

Shelf Registration Statement. On June 21, 2021, the Company filed an automatically effective shelf registration statement that allows Lamar Advertising to offer and sell an indeterminate amount of additional shares of its Class A common stock. The shelf registration statement expired on June 21, 2024.

On July 24, 2024, the Company filed a new automatically effective shelf registration statement that allows the Company to offer and sell an indeterminate amount of additional shares of its Class A common stock, which replaces the previous shelf registration statement. During the year ended December 31, 2024 and the three months ended March 31, 2025, the Company did not issue any shares under either shelf registration statement.

Credit Facilities. On February 6, 2020, Lamar Media entered into a Fourth Amended and Restated Credit Agreement (the “Fourth Amended and Restated Credit Agreement”) with certain of Lamar Media’s subsidiaries as guarantors, JPMorgan Chase Bank, N.A. as administrative agent and the lenders party thereto, under which the parties agreed to amend and restate Lamar Media’s existing senior credit facility. The Fourth Amended and Restated Credit Agreement amended and restated the Third Amended and Restated Credit Agreement dated as of May 15, 2017, as amended (the “Third Amended and Restated Credit Agreement”).

On July 2, 2021, Lamar Media entered into Amendment No. 1 (the “Amendment”), to the Fourth Amended and Restated Credit Agreement. The Amendment amends the definition of “Subsidiary” to exclude each of Lamar Partnering Sponsor LLC and Lamar Partnering Corporation and any of their subsidiaries (collectively, the “Lamar Partnering Entities”) such that, after the giving effect to the Amendment, none of the Lamar Partnering Entities are subject to the Fourth Amended and Restated Credit Agreement covenants and reporting requirements, but any investment by Lamar Media in any of the Lamar Partnering Entities would be subject to the Fourth Amended and Restated Credit Agreement covenants. The Amendment also amends the definition of “EBITDA” to replace the existing calculation with a net income-based calculation, which excludes the income of non-Subsidiary entities such as the Lamar Partnering Entities, except to the extent that income of such entities is received by Lamar Media in the form of dividends or distributions.

The senior credit facility, as established by the Fourth Amended and Restated Credit Agreement (the “senior credit facility”), consists of (i) a \$750.0 million senior secured revolving credit facility which will mature on July 31, 2028, subject to certain conditions (see description of Amendment No. 4 below) (the “revolving credit facility”), (ii) a \$600.0 million senior secured Term B loan facility (the “Term B loans”) which will mature on February 6, 2027, and (iii) an incremental facility (the “Incremental Facility”) pursuant to which Lamar Media may incur additional term loan tranches or increase its revolving credit facility subject to a pro forma secured debt ratio calculated as described under “Restrictions under Senior Credit Facility” of 4.50 to 1.00, as well as certain other conditions including lender approval. Lamar Media borrowed all \$600.0 million in Term B loans on February 6, 2020. The entire amount of the Term B loans will be payable at maturity.

The Term B loans bear interest at rates based on Term SOFR plus a credit spread adjustment of 0.10% (Term SOFR plus such credit spread adjustment, the "Adjusted Term SOFR Rate") or the Adjusted Base Rate, at Lamar Media's option. Term B loans bearing interest at a rate based on Term SOFR bear interest at a rate per annum equal to the Adjusted Term SOFR Rate plus 1.50%. Term B loans bearing interest at a rate based on the Adjusted Base Rate bear interest at a rate per annum equal to the Adjusted Base Rate plus 0.50%. The revolving credit facility bears interest at rates based on Term SOFR ("Term SOFR revolving loans") or the Adjusted Base Rate ("Base Rate revolving loans"), at Lamar Media's option. Term SOFR revolving loans bear interest at a rate per annum equal to the Adjusted Term SOFR Rate plus 1.50% (or the Adjusted Term SOFR Rate plus 1.25% at any time the Total Debt Ratio is less than or equal to 3.25 to 1). Base Rate revolving loans bear interest at a rate per annum equal to the Adjusted Base Rate plus 0.50% (or the Adjusted Base Rate plus 0.25% at any time the total debt ratio is less than or equal to 3.25 to 1). The guarantees, covenants, events of default and other terms of the senior credit facility apply to the Term B loans and revolving credit facility.

On July 29, 2022, Lamar Media entered into Amendment No. 2 ("Amendment No. 2") to the Fourth Amended and Restated Credit Agreement with certain of Lamar Media's subsidiaries as guarantors, JPMorgan Chase Bank, N.A. as administrative agent and the lenders party thereto. Amendment No. 2 established the Term A loans as a new class of incremental term loans. The Term A loans were set to mature on February 6, 2025 and bore interest based on Term SOFR ("Term SOFR Term A loans") or the Adjusted Base Rate ("Base Rate Term A loans"), at Lamar Media's option. Term SOFR Term A loans bore interest at a rate per annum equal to the Adjusted Term SOFR Rate plus 1.50% (or the Adjusted Term SOFR Rate plus 1.25% at any time the Total Debt Ratio is less than or equal to 3.25 to 1). Base Rate Term A loans bore interest at a rate per annum equal to the Adjusted Base Rate plus 0.50% (or the Adjusted Base Rate plus 0.25% at any time the total debt ratio is less than or equal to 3.25 to 1). The covenants, events of default and other terms of the senior credit facility apply to the Term A loans. Lamar Media borrowed all \$350.0 million in Term A loans on July 29, 2022. Proceeds from the Term A loans were used to repay outstanding balances on the revolving credit facility and a portion of the outstanding balance on our Accounts Receivable Securitization Program. The Term A loans were subsequently repaid in full on July 31, 2024.

On April 26, 2023, Lamar Media entered into Amendment No. 3 ("Amendment No. 3") to the Fourth Amended and Restated Credit Agreement with certain of Lamar Media's subsidiaries as guarantors, JPMorgan Chase Bank N.A. as administrative agent and the lenders party thereto. Amendment No. 3 replaced the London Interbank Offered Rates as administered by the ICE Benchmark Administration with Term SOFR as the successor rate, as set in the Fourth Amended and Restated Credit Agreement. All other material terms and conditions of the Fourth Amended and Restated Credit Agreement remain unchanged by Amendment No. 3.

On July 31, 2023, Lamar Media entered into Amendment No. 4 (the "Amendment No. 4"), to the Fourth Amended and Restated Credit Agreement with certain of Lamar Media's subsidiaries as guarantors, JPMorgan Chase Bank, N.A., as administrative agent and the lenders party thereto. Amendment No. 4 extends the maturity date of Lamar Media's \$750.0 million revolving credit facility such that the revolving credit facility matures July 31, 2028; provided, that, if on the date (a "Springing Maturity Test Date") that is 91 days prior to either the then scheduled maturity date of Lamar Media's Term B loans (which is currently February 6, 2027) or the February 15, 2028 maturity date of Lamar Media's 3 3/4% Notes, the Company and its restricted subsidiaries do not have sufficient liquidity (defined as unrestricted cash and cash equivalents of the Company and its restricted subsidiaries plus unused commitments under the revolving credit facility) to repay in full the aggregate outstanding amount (including all accrued and unpaid interest, premiums and make-whole amounts (if any)) of the Term B loans or the 3 3/4% Notes (as applicable), the revolving credit facility will mature on such Springing Maturity Test Date. On the maturity date of the revolving credit facility, the entire principal amount of revolving loans outstanding under the revolving credit facility, together with all accrued and unpaid interest on such revolving loans, will be due and payable.

Amendment No. 4 also establishes a \$75.0 million swingline as a sublimit of the revolving credit facility, which allows Lamar Media to borrow revolving loans on a same-day basis, in an aggregate outstanding principal amount of up to \$75.0 million. In addition, Amendment No. 4 amends the provisions of the Fourth Amended and Restated Credit Agreement related to incremental facilities to allow Lamar Media to establish, from time to time, one or more new incremental revolving facilities on the terms, and subject to the conditions, set forth therein.

As of March 31, 2025 the aggregate balance outstanding under the senior credit facility was \$886.0 million, consisting of \$600.0 million in Term B loans aggregate principal balance and \$286.0 million outstanding borrowings under our revolving credit facility. Lamar Media had approximately \$455.2 million of unused capacity under the revolving credit facility.

Factors Affecting Sources of Liquidity

Internally Generated Funds. The key factors affecting internally generated cash flow are general economic conditions, specific economic conditions in the markets where the Company conducts its business and overall spending on advertising by advertisers. We expect to generate cash flows from operations during 2025 in excess of our cash needs for operations, capital expenditures and dividends, as described herein, and we believe we have sufficient liquidity with cash on hand and availability under our revolving credit facility to meet our operating cash needs for the next twelve months.

Credit Facilities and Other Debt Securities. The Company and Lamar Media must comply with certain covenants and restrictions related to the senior credit facility, its outstanding debt securities and its Accounts Receivable Securitization Program.

Restrictions Under Debt Securities. The Company and Lamar Media must comply with certain covenants and restrictions related to its outstanding debt securities. Currently, Lamar Media has outstanding the \$600.0 million 3 3/4% Senior Notes issued February 2020, the \$550.0 million 4% Senior Notes issued February 2020 and August 2020, the \$400.0 million 4 7/8% Senior Notes issued in May 2020 and the \$550.0 million 3 5/8% Senior Notes issued in January 2021.

The indentures relating to Lamar Media's outstanding notes restrict its ability to incur additional indebtedness, but permit the incurrence of indebtedness (including indebtedness under the senior credit facility), (i) if no default or event of default would result from such incurrence and (ii) if after giving effect to any such incurrence, the leverage ratio (defined as the sum of (x) total consolidated debt plus (y) the aggregate liquidation preference of any preferred stock of Lamar Media's restricted subsidiaries to trailing four fiscal quarter EBITDA (as defined in the indentures)) would be less than 7.0 to 1.0. Currently, Lamar Media is not in default under the indentures of any of its outstanding notes and, therefore, would be permitted to incur additional indebtedness subject to the foregoing provision.

In addition to debt incurred under the provisions described in the preceding paragraph, the indentures relating to Lamar Media's outstanding notes permit Lamar Media to incur indebtedness pursuant to the following baskets:

- up to \$2.0 billion of indebtedness under the senior credit facility;
- indebtedness outstanding on the date of the indentures or debt incurred to refinance outstanding debt;
- inter-company debt between Lamar Media and its restricted subsidiaries or between restricted subsidiaries;
- certain purchase money indebtedness and capitalized lease obligations to acquire or lease property in the ordinary course of business that cannot exceed the greater of \$50.0 million or 5% of Lamar Media's net tangible assets;
- additional debt not to exceed \$75.0 million; and
- up to \$500.0 million of permitted securitization financings.

Restrictions Under Senior Credit Facility. Lamar Media is required to comply with certain covenants and restrictions under the senior credit facility. If the Company or Lamar Media fails to comply with these tests, the lenders under the senior credit facility will be entitled to exercise certain remedies, including the termination of the lending commitments and the acceleration of the debt payments under the senior credit facility. At March 31, 2025 we were, and currently, we are, in compliance with all such tests under the senior credit facility.

Lamar Media must maintain a secured debt ratio, defined as total consolidated secured debt of Lamar Advertising, Lamar Media and its restricted subsidiaries (including capital lease obligations), minus the lesser of (x) \$150.0 million and (y) the aggregate amount of unrestricted cash and cash equivalents of Lamar Advertising, Lamar Media and its restricted subsidiaries (other than the Special Purpose Subsidiaries (as defined above under *Sources of Cash – Accounts Receivable Securitization Program*)) to EBITDA, as defined below, for the period of four consecutive fiscal quarters then ended, of less than or equal to 4.5 to 1.0.

Lamar Media is restricted from incurring additional indebtedness subject to exceptions, one of which is that it may incur additional indebtedness not exceeding the greater of \$250.0 million or 6% of its total assets.

Lamar Media is also restricted from incurring additional unsecured senior indebtedness under certain circumstances unless, after giving effect to the incurrence of such indebtedness, Lamar Media would have a total debt ratio, defined as (x) total consolidated debt (including subordinated debt) of Lamar Advertising, Lamar Media and its restricted subsidiaries as of any date minus the lesser of (i) \$150.0 million and (ii) the aggregate amount of unrestricted cash and cash equivalents of Lamar Advertising, Lamar Media and its restricted subsidiaries (other than the Special Purpose Subsidiaries) to (y) EBITDA, as defined below, for the most recent four fiscal quarters then ended, of less than 7.0 to 1.0.

Lamar Media is also restricted from incurring additional subordinated indebtedness under certain circumstances unless, after giving effect to the incurrence of such indebtedness, it is in compliance with the secured debt ratio covenant and its total debt ratio is less than 7.0 to 1.0.

Under the senior credit facility, as amended, "EBITDA" means, for any period, net income, plus (a) to the extent deducted in determining net income for such period, the sum determined without duplication and in accordance with GAAP, of (i) taxes, (ii) interest expense, (iii) depreciation, (iv) amortization, (v) any other non-cash income or charges accrued for such period, (vi) charges and expenses in connection with the senior credit facility, any actual or proposed acquisition, disposition or investment (excluding, in each case, purchases and sales of advertising space and operating assets in the ordinary course of business) and any actual or proposed offering of securities, incurrence or repayment of indebtedness (or amendment to any agreement relating to indebtedness), including any refinancing thereof, or recapitalization, (vii) any loss or gain relating to amounts paid or earned in cash prior to the stated settlement date of any swap agreement that has been reflected in operating income for such period, and (viii) any loss on sales of receivables and related assets to a securitization entity in connection with a permitted securitization financing, plus (b) the amount of cost savings, operating expense reductions and other operating improvements or synergies projected by Lamar Media in good faith to be realized as a result of any acquisition, investment, merger, amalgamation or disposition within 18 months of any such acquisition, investment, merger, amalgamation or disposition, net of the amount of actual benefits realized during such period from such action; provided, (A) the aggregate amount for all such cost savings, operating expense reductions and other operating improvements or synergies will not exceed an amount equal to 15% of EBITDA for the applicable four quarter period and (B) any such adjustment to EBITDA pursuant to this clause (b) may only take into account cost savings, operating expense reductions and other operating improvements or synergies that are (I) directly attributable to such acquisition, investment, merger, amalgamation or disposition, (II) expected to have a continuing impact on Lamar Media and its restricted subsidiaries and (III) factually supportable, in each case all as certified by the chief financial officer of Lamar Media on behalf of Lamar Media, minus (c) to the extent included in net income for such period (determined without duplication and in accordance with GAAP) (i) any extraordinary and unusual gains or losses during such period, and (ii) the proceeds of any casualty events and dispositions. For purposes of this EBITDA definition, the effect thereon of any adjustments required under Statement of Financial Accounting Standards No. 141R shall be excluded. If during any period for which EBITDA is being determined, Lamar Media has consummated any acquisition or disposition, EBITDA will be determined on a pro forma basis as if such acquisition or disposition had been made or consummated on the first day of such period.

Under the senior credit facility, "net income" means for any period, the consolidated net income (or loss) of Lamar Advertising, Lamar Media, and its restricted subsidiaries, determined on a consolidated basis in accordance with GAAP; provided that the following is excluded from net income: (a) the income (or deficit) of any person accrued prior to the date it becomes a restricted subsidiary or is merged into or consolidated with Lamar Advertising, Lamar Media or any of its restricted subsidiaries, and (b) the income (or deficit) of any person (other than any of our restricted subsidiaries) in which Lamar Advertising, Lamar Media or any of its subsidiaries has an ownership interest, except to the extent that any such income is received by Lamar Advertising, Lamar Media or any of its restricted subsidiaries in the form of dividends or similar distributions.

The Company believes that its current level of cash on hand, availability under the senior credit facility and future cash flows from operations are sufficient to meet its operating needs for the next twelve months. All debt obligations are reflected on the Company's balance sheet.

Restrictions under Accounts Receivable Securitization Program. The agreements governing the Accounts Receivable Securitization Program contain customary representations and warranties, affirmative and negative covenants, and termination event provisions, including but not limited to those providing for the acceleration of amounts owed under the Accounts Receivable Securitization Program if, among other things, the Special Purpose Subsidiaries fail to make payments when due, Lamar Media, the Subsidiary Originators or the Special Purpose Subsidiaries become insolvent or subject to bankruptcy proceedings or certain judicial judgments, breach certain representations and warranties or covenants or default under other material indebtedness, a change of control occurs, or if Lamar Media fails to maintain the maximum secured debt ratio of 4.5 to 1.0 required under the senior credit facility.

Uses of Cash

Capital Expenditures. Capital expenditures, excluding acquisitions, were approximately \$29.9 million for the three months ended March 31, 2025. We anticipate our 2025 total capital expenditures will be approximately \$195.0 million.

Acquisitions. During the three months ended March 31, 2025, the Company completed acquisitions for an aggregate purchase price of approximately \$22.1 million, which were financed using available cash on hand.

Dividends. On February 19, 2025, the Company's Board of Directors declared a quarterly cash dividend of \$1.55 per share, paid on March 28, 2025 to its stockholders of record of its Class A common stock and Class B common stock on March 14, 2025. Subject to approval of the Company's Board of Directors, the Company expects aggregate quarterly distributions to stockholders in 2025 will be at least \$6.20 per share of common stock, including the dividends paid on March 28, 2025.

As a REIT, the Company must annually distribute to its stockholders an amount equal to at least 90% of its REIT taxable income (determined before the deduction for distributed earnings and excluding any net capital gain). The amount, timing and frequency of future distributions will be at the sole discretion of the Board of Directors and will be declared based upon various factors, a number of which may be beyond the Company's control, including financial condition and operating cash flows, the amount required to maintain REIT status and reduce any income and excise taxes that the Company otherwise would be required to pay, limitations on distributions in our existing and future debt instruments, the Company's ability to utilize net operating losses to offset, in whole or in part, the Company's distribution requirements, limitations on its ability to fund distributions using cash generated through its TRSs, the impact of general economic conditions on the Company's operations and other factors that the Board of Directors may deem relevant. The foregoing factors may also impact management's recommendations to the Board of Directors as to the timing, amount and frequency of future distributions.

Stock and Debt Repurchasing Program. The Company's Board of Directors has authorized the repurchase of up to \$250.0 million of the Company's Class A common stock. Additionally, the Board of Directors has authorized Lamar Media to repurchase up to \$250.0 million in outstanding senior or senior subordinated notes and other indebtedness outstanding from time to time under its senior credit agreement. On September 24, 2024, the Board of Directors authorized the extension of the repurchase program through March 31, 2026. The Company's management may opt not to make any repurchases under the program, or may make aggregate purchases less than the total amount authorized. During the three months ended March 31, 2025, the Company repurchased 164,529 shares of the Company's Class A common stock outstanding for a total purchase price of \$18.4 million.

Material Cash Requirements

Our expected material cash requirements for the twelve months following March 31, 2025 and thereafter are comprised of contractual obligations, required annual distributions and other opportunistic expenditures.

Debt and Contractual Obligations. The following table summarizes our future debt maturities, interest payment obligations, and contractual obligations including required payments under operating and financing leases as of March 31, 2025:

<i>(In millions)</i>	<u>Less than 1 year</u>	<u>Thereafter</u>
Debt maturities ⁽¹⁾	\$ 0.4	\$ 3,187.4
Interest obligations on long-term debt ⁽²⁾	149.6	454.9
Contractual obligations, including operating and financing leases	281.6	1,795.4
Total payments due	<u>\$ 431.6</u>	<u>\$ 5,437.7</u>

(1) Debt maturities assume there is no refinancing prior to the existing maturity date and is based on contractual maturities.

(2) Interest rates on our variable rate instruments assume rates at the March 31, 2025 levels.

Required Annual Distributions. As a REIT, the Company must annually distribute to its stockholders an amount equal to at least 90% of its REIT taxable income (determined before the deduction for distributed earnings and excluding any net capital gain). On February 19, 2025, the Company's Board of Directors declared a quarterly cash dividend of \$1.55 per share, paid on March 28, 2025 to its stockholders of record of its Class A common stock and Class B common stock on March 14, 2025. Subject to approval of the Company's Board of Directors, the Company expects aggregate quarterly distributions to stockholders in 2025 will be at least \$6.20 per share of common stock, including the dividends paid on March 28, 2025.

Opportunistic Expenditures. As part of our capital allocation strategy, we plan to continue to allocate our available capital among investment alternatives that meet our return on investment criteria. We will continue to reinvest in our existing assets and expand our outdoor advertising display portfolio through new construction. We will also continue to pursue strategic acquisitions of outdoor advertising businesses and assets. This includes acquisitions in our existing markets and in new markets where we can meet our return on investment criteria.

Cash Flows

The Company's cash flows provided by operating activities increased \$17.2 million from \$110.6 million for the three months ended March 31, 2024 to \$127.7 million for the three months ended March 31, 2025, primarily resulting from an increase in revenues as well as an increase in collections on receivables as compared to the same period in 2024.

Cash flows provided by investing activities for three months ended March 31, 2025 was \$65.4 million as compared to cash flows used in investing activities for the three months ended March 31, 2024 of \$45.0 million. This change was primarily due to proceeds from the sale of the Company's equity investment in Vistar Media, Inc. of \$115.1 million.

The Company's cash flows used in financing activities were \$206.5 million for the three months ended March 31, 2025 as compared to \$73.6 million for the three months ended March 31, 2024. The cash flows used in financing activities of \$206.5 million for the three months ended March 31, 2025 is primarily due to cash paid for dividends and distributions and payments on the Accounts Receivable Securitization Program.

Critical Accounting Estimates

Our discussion and analysis of our results of operations and liquidity and capital resources are based on our condensed consolidated financial statements, which have been prepared in accordance with GAAP. The preparation of these financial statements requires us to make estimates and judgments that affect the reported amounts of assets, liabilities, revenues and expenses. There have been no material changes to the critical accounting policies and estimates as previously disclosed in Item 7 of our 2024 Combined Form 10-K.

Accounting Standards and Regulatory Update

See Note 13, "New Accounting Pronouncements" to our condensed consolidated financial statements included in Part 1, Item 1 of this report for a discussion of our Accounting Standards and Regulatory Update.

LAMAR MEDIA CORP.

The following is a discussion of the consolidated financial condition and results of operations of Lamar Media for the three months ended March 31, 2025 and 2024. This discussion should be read in conjunction with the consolidated financial statements of Lamar Media and the related notes thereto.

RESULTS OF OPERATIONS

Three months ended March 31, 2025 compared to three months ended March 31, 2024

Net revenues increased \$7.3 million or 1.5% to \$505.4 million for the three months ended March 31, 2025 from \$498.2 million for the same period in 2024. This increase was primarily attributable to an increase in billboard net revenues of \$5.5 million and an increase in transit net revenues of \$0.9 million over the same period in 2024.

For the three months ended March 31, 2025, there was a \$5.4 million increase in net revenues as compared to acquisition-adjusted net revenues for the three months ended March 31, 2024, which represents an increase of 1.1%. See "Reconciliations" below. The \$5.4 million increase in revenue is primarily due to an increase of \$5.2 million in billboard net revenues and \$0.5 million in logo net revenues, offset by a decrease in transit net revenues of \$0.3 million over the same period in 2024.

Total operating expenses, exclusive of depreciation and amortization and gain on disposition of assets and investments, increased \$5.7 million, or 1.9%, to \$306.1 million for the three months ended March 31, 2025 from \$300.4 million for the same period in 2024. The \$5.7 million increase over the prior year is comprised of a \$9.6 million increase in total direct, general and administrative and corporate expenses (excluding stock-based compensation) primarily related to the operations of our outdoor advertising assets, offset by a \$3.9 million decrease in stock-based compensation.

Depreciation and amortization expense increased \$2.6 million to \$77.8 million for the three months ended March 31, 2025 as compared to \$75.2 million for the same period in 2024, primarily related to acquisitions and capital expenditures completed in the last twelve months.

For the three months ended March 31, 2025, Lamar Media recognized a gain on disposition of assets and investments of \$69.8 million, primarily resulting from the sale of Lamar's equity interest in Vistar Media, Inc., as well as transactions related to the sale of real estate and billboard locations and displays.

Due to the above factors, operating income increased by \$66.6 million to \$191.3 million for the three months ended March 31, 2025 as compared to \$124.7 million for the same period in 2024.

Interest expense decreased \$6.2 million for the three months ended March 31, 2025 to \$38.3 million as compared to \$44.5 million for the three months ended March 31, 2024. The decrease was primarily due to the repayment of the Term A loans outstanding under the senior credit facility in July of 2024 as well as a decrease in interest rates on the senior credit facility and Accounts Receivable Securitization Program.

Equity in (earnings) loss of investee was \$(0.4) million and \$0.6 million for the three months ended March 31, 2025 and 2024, respectively.

The increase in operating income resulted in a \$73.7 million increase in income before income tax expense. The effective tax rate for the three months ended March 31, 2025 was 9.5%, which differs from the federal statutory rate primarily due to our qualification for taxation as a REIT and adjustments for foreign items.

As a result of the above factors, Lamar Media recognized net income for the three months ended March 31, 2025 of \$139.3 million, as compared to net income of \$78.6 million for the same period in 2024.

Reconciliations:

Because acquisitions occurring after December 31, 2023 have contributed to our net revenue results for the periods presented, we provide 2024 acquisition-adjusted net revenue, which adjusts our 2024 net revenue for the three months ended March 31, 2024 by adding to or subtracting from it the net revenue generated by the acquired or divested assets prior to our acquisition or divestiture of these assets for the same time frame that those assets were owned in the three months ended March 31, 2025.

Reconciliations of 2024 reported net revenue to 2024 acquisition-adjusted net revenue for the three months ended March 31, as well as a comparison of 2024 acquisition-adjusted net revenue to 2025 reported net revenue for the three months ended March 31, are provided below:

Adjusted EBITDA for the three months ended March 31, 2025 decreased 0.8% to \$210.3 million. The decrease in adjusted EBITDA was primarily attributable to the decrease in our billboard advertising adjusted EBITDA of \$1.5 million and a decrease in other adjusted EBITDA of \$1.1 million, offset by a decrease in corporate expenses of \$0.9 million, excluding the impact of stock-based compensation expense.

FFO for the three months ended March 31, 2025 increased from \$148.6 million in 2024 to \$156.3 million for the same period in 2025, an increase of 5.1%. AFFO for the three months ended March 31, 2025 increased 3.8% to \$164.4 million as compared to \$158.4 million for the same period in 2024. The increase in AFFO was primarily attributable to an increase in our gross margin (net revenue less direct advertising expense, exclusive of depreciation and amortization and capitalized contract fulfillment costs, net) as well as a decrease in interest expense for the three months ended March 31, 2025.

ITEM 3. QUANTITATIVE AND QUALITATIVE DISCLOSURES ABOUT MARKET RISK

Lamar Advertising Company and Lamar Media Corp.

Lamar Advertising is exposed to interest rate risk in connection with variable rate debt instruments issued by its wholly owned subsidiary Lamar Media. The information below summarizes the Company's interest rate risk associated with its principal variable rate debt instruments outstanding at March 31, 2025, and should be read in conjunction with Note 10 of the Notes to the Company's Condensed Consolidated Financial Statements.

Lamar Media has variable-rate debt outstanding under its senior credit facility and its Accounts Receivable Securitization Program. Because interest rates may increase or decrease at any time, the Company is exposed to market risk as a result of the impact that changes in interest rates may have on the applicable borrowings outstanding. Increases in the interest rates applicable to these borrowings would result in increased interest expense and a reduction in the Company's net income.

At March 31, 2025 there was approximately \$1.11 billion of indebtedness outstanding under the senior credit facility and the Accounts Receivable Securitization Program, or approximately 34.6% of the Company's outstanding long-term debt on that date, bearing interest at variable rates. The aggregate interest expense for 2025 with respect to borrowings under the senior credit facility and the Accounts Receivable Securitization Program was \$15.4 million, and the weighted average interest rate applicable to these borrowings during 2025 was 5.7%. Assuming that the weighted average interest rate was 200 basis points higher (that is 7.7% rather than 5.7%), then the Company's 2025 interest expense would have increased by approximately \$5.2 million for the three months ended March 31, 2025.

The Company attempts to mitigate the interest rate risk resulting from its variable interest rate long-term debt instruments by issuing fixed rate long-term debt instruments and maintaining a balance over time between the amount of the Company's variable rate and fixed rate indebtedness. In addition, the Company has the capability under the senior credit facility to fix the interest rates applicable to its borrowings at an amount equal to the Adjusted Term SOFR Rate (as applicable), or Adjusted Base Rate plus the applicable margin for periods of up to twelve months (in certain cases with the consent of the lenders), which would allow the Company to mitigate the impact of short-term fluctuations in market interest rates. In the event of an increase in interest rates, the Company may take further actions to mitigate its exposure. The Company cannot guarantee, however, that the actions that it may take to mitigate this risk will be feasible or that, if these actions are taken, that they will be effective.

ITEM 4. CONTROLS AND PROCEDURES

(a) Conclusion Regarding the Effectiveness of Disclosure Controls and Procedures.

The Company's and Lamar Media's management, with the participation of the principal executive officer and principal financial officer of the Company and Lamar Media, have evaluated the effectiveness of the design and operation of the Company's and Lamar Media's disclosure controls and procedures (as defined in Rules 13a-15(e) and 15d-15(e) under the Securities Exchange Act of 1934, as amended (the "Exchange Act")) as of the end of the period covered by this quarterly report. Based on this evaluation, the principal executive officer and principal financial officer of the Company and Lamar Media concluded that these disclosure controls and procedures are effective and designed to ensure that the information required to be disclosed in the Company's and Lamar Media's reports filed or submitted under the Exchange Act is recorded, processed, summarized and reported within the requisite time periods.

(b) Changes in Internal Control Over Financial Reporting.

There have been no changes in the internal control over financial reporting (as defined in Rules 13a-15(f) and 15d-15(f) under the Exchange Act) of the Company and Lamar Media identified in connection with the evaluation of the Company's and Lamar Media's internal control performed during the last fiscal quarter that has materially affected, or is reasonably likely to materially affect, the Company's and Lamar Media's internal control over financial reporting.
